Proposals Submitted in Response to the RFP Involving the Library Lot

Whereas, The RFP advisory committee is charged with making a recommendation to the entire City Council about the proposals submitted in response to the RFP involving the "Library Lot";

Whereas, The City Council has the right to accept any proposal or reject all proposals; and

Whereas, The City Council should therefore have equivalent information about all six proposals;

RESOLVED, That City Council requests that any proposers eliminated by the RFP advisory committee submit all relevant financial information about their projects to the City Council at their earliest convenience; and

RESOLVED, That City Council requests that any proposers eliminated by the RFP advisory committee be prepared to respond to questions from the City Council in advance of City Council's consideration of any recommendation the RFP advisory committee may make.
