Resolution to Approve Amendment No. 1 to Service and Support Agreement with Hasselbring-Clark (\$25,000.00/year)

Attached for your review and approval is a resolution to approve a contract amendment with Hasselbring-Clark to increase the per year maximum compensation amount of the contract to from \$20,000.00 to \$45,000.00 per year with Hasselbring-Clark for printing costs and service.

Hasselbring-Clark was awarded a 3-yr contract to provide services and support for the City's Canon multifunction copiers (currently numbering 46) in 2010 with a per year maximum compensation amount of \$20,000.00. The contract provided for an additional 3-yr extension on the same terms.

Given the size of this contract, each department was delegated the ability to pay for its' copying charge. However, in reviewing actual expenditures, staff determined the initial estimate of copying costs was too low, so City staff is requesting that the NTE/per yr amount be increased during the extension period. Going forward this contract and all the expenditures will be monitored centrally in IT. This change is acceptable to Hasselbring- Clark.

Funds in the amount of \$45,000.00 have already been budgeted for printing costs in approved department budgets FY 2013 and 2014 and will be budgeted in the various department budgets for 2015.
