Resolution to Approve FY 15 and FY 16 Allocations to Non-Profit Entities for Human Services - \$1,244,629.00 (General Fund)

Attached for your consideration is a resolution to approve FY 15 and FY 16 General Fund allocations to non-profit entities for human services, totaling \$1,244,629. These awards are contingent on City Council's approval of the FY 15 budget, which includes this level of human services funding.

On November 7, 2013, through resolution #13-1164, City Council approved a continuation of the coordinated funding process for human services funding in partnership with the Ann Arbor Area Community Foundation, the United Way of Washtenaw County, Washtenaw County, the Washtenaw Urban County, and the RNR Foundation. This coordinated funding process includes a Coordination/Planning funding process (United Way, Ann Arbor Area Community Foundation, and RNR Foundation funding), a Capacity Building funding process (United Way, Ann Arbor Area Community Foundation, and RNR Foundation funding), and a Program Operations funding process (City, County, Urban County, United Way, and Ann Arbor Area Community Foundation funding) in which each process is informed by the others and funders collaborate to ensure efficient and effective investment of both public and private human services funding. The final approval of funding recommended in each of these processes, however, remains under the authority of each partner's board.

The City's FY 15 and FY 16 General Fund investments in non-profit entities for human services are included in the Program Operations component of this coordinated funding process. Implementation of this process began with a Request for Information (RFI), issued in November 2013, which determined an agency's financial, governance and organizational capability to manage human services funding and program delivery. Seventy-six (76) agencies responded to the RFI and after thorough review, 61 of those agencies were approved to move forward in the application process.

Those 61 agencies that demonstrated foundational financial, governance and organizational capacity

were invited to apply to the Request for Proposals (RFP), released in January, 2014, for human services program operations funding in five priority areas: Aging, Early Childhood, Housing and Homelessness, Safety Net Health and Nutrition, and School-Aged Youth. The RFP responses, submitted via Community Grants by March 7, 2014 at 3:00 P.M., included 105 applications submitted by 50 agencies totaling \$8,732,389 in requested funding.

The Coordinated Funding Review Committee (comprised of members appointed by City Council, the Washtenaw Urban County, Washtenaw County, the United Way of Washtenaw County, and the Ann Arbor Area Community Foundation reviewed the applications and met throughout April 2014 to make recommendations on the human services funding allocations.

The current Program Operations funding round contained \$47,000 less funding than the prior round, and due to the intentional outreach and broadening of eligibility parameters (resulting in more RFI-approved applicants), there was increased competition for the same dollars. These factors resulted in a much more difficult and complex funding recommendation process for the review team.

In addition to the standard scoring criteria included with the RFP, the Coordinated Funding Leadership Team indicated its desire to employ additional conditions through which funding recommendations would be made to ensure the limited Program Operations funding would be targeting the most vulnerable residents in our community. Utilizing this model, the funding recommendation process was a multi-step process:

- Step 1: Rank according to score within each priority area & determine which programs should be considered for funding at some level and which should not be funded.
- Step 2: Allocate at least \$400,000 per priority area, where applicable/appropriate as baseline funding.
- Step 3: After baseline allocation, remaining funds will be allocated to proposals using the following priorities.
 - Prioritize service area coverage of geographic regions most acutely in need (specifically 48197 & 48198 zip codes)
 - Maximize county-wide coverage of services as appropriate

Based on the Coordinated Funding model approved by the Board of Commissioners on November 6, 2013, the Coordinated Funding Review Committee is recommending that a total of \$4,321,494.00 be allocated to fifty-seven programs (55 awarded competitively and 2 awarded through sole-source) in the following manner:

| <u>Funding Source</u> | <u>FY 15 Amount</u> |
|--|---------------------|
| City of Ann Arbor General Fund | \$1,244,629.00 |
| United Way of Washtenaw County | \$1,760,708.00 |
| Washtenaw County's General Fund | \$1,015,000.00 |
| Washtenaw Urban County CDBG funds | \$ 274,907.00 |
| Ann Arbor Area Community Foundation Senior funds | <u>\$ 26,250.00</u> |
| TOTAL | \$4,321,494.00 |

The recommendation for \$1,244,629 in Human Services General Funds assumes no change from the FY 14 allocation, based on FY 15 budget resolution #14-0550.
