Attached for your review and approval is Resolution No. 3 establishing the date for the Public Hearing on the Pontiac Trail Improvements Project; Sidewalk Special Assessment District No. 45, File No. 2012-028; Curb and Gutter Special Assessment District No. 504, File No. 2012-028.

The improvement will include the reconstruction of Pontiac Trail beginning just north of Skydale Drive to just south of the bridge over M-14. In line with the City's Complete Streets Policy, the project will also be adding on-street bike lanes and constructing a new sidewalk along the east side of Pontiac Trail to fill in existing sidewalk gaps and to provide pedestrian access to Olson Park and Dhu Varren Road. In addition to the sidewalk, approximately 1,960 feet of curb and gutter is being added north of Skydale along Pontiac Trail to protect existing wetland areas.
