Resolution to Approve Deficit Elimination Plan as of June 30, 2014

Pursuant to State of Michigan law, the City must prepare and authorize a deficit elimination plan for the Market Fund. As of June 30, 2014, the Market fund had an unrestricted net asset deficit of \$3,455.

The unrestricted deficit is due to the closing of the Market Fund into the General Fund as of June 30, 2014. The fixed assets and long-term liabilities of the fund remain in the fund until the next audit where they will be removed.

The City of Ann Arbor is requesting the City Council approve the City's Deficit Elimination Plan for fiscal year ended June 30, 2014.
