Resolution to Approve a Grant of Easement to the Michigan Department of Transportation for Highway Purposes at the Existing M-14 Bridge over the Huron River **(8 Votes Required)**

This easement is for highway purposes for a portion of the existing M-14 bridge over the Huron River near the Main Street and Barton Drive exits. The bridge crosses over Bandemer Park and Barton Drive in this area. This easement fills in a gap in the existing MDOT highway right-of-way and confirms the prior and existing use of the area for highway purposes. No new construction is being conducted and no change in the highway is proposed. This easement was requested in conjunction with bridge maintenance activities by MDOT.

The easement is in a form provided by MDOT and has been reviewed and approved by the City Attorney's Office, Parks and Recreation Services, and Public Services Area. No compensation is attached to this easement.

Approval of this easement is recommended.
