Resolution to Approve Amendment No. 1 to the Agreement with Complete Corporate Solutions, Inc. for Professional Services (\$20,000.00 amendment/\$78,800.00 total contract)

Attached for your review and approval is a resolution authorizing an amendment to the agreement with Complete Corporate Solutions, Inc. (CCSI) to provide professional services for necessary enhancements to Re-Enact, a web-based application necessary to permit 3<sup>rd</sup> party access to the 15<sup>th</sup> District Court operational data.

For archival purposes the Court is required to retain “look-up” capabilities on its operational data for the foreseeable future, and by law must provide for 3<sup>rd</sup> party access to these public records. The Re-Enact application replaced the eNact Case Management Software system, operated by the Washtenaw County Trial Court and whose vendor ceased operations on December 31, 2005.

CCSI, Inc. received Human Rights and Living Wage approval on April 30, 2007.

The 15th Judicial District Court is part of the Supreme Court of Michigan administrative and organizational structure.
