INTRODUCTIONS

MUNICIPAL TREASURER'S AWARD

City Treasurer Brenda Smith was presented the Certification of Excellence plaque by the Municipal Treasurer's Association of the United States and Canada at its annual conference held in Spokane, Washington on August 15, 1995. The award was given for the City's Investment policy, adopted by City Council. Mayor Sheldon accepted the award on behalf of the City.

PUBLIC COMMENTARY - RESERVED TIME

PATTRICE MAURER - JOKES

Patrice Maurer, 513 S. State Street, reprimanded members of the Council for continuing to consider hiring a city administrator candidate after it was revealed that the candidate joked about wife beating. Maurer said that after all of the years of workshops and educational programs participation and the approval of protective ordinances, she felt despair that Councilmembers failed to understand the gravity of the candidate's remarks, and its effect on women who may be in a spousal abuse situation.

SAFIYA KHALID - ILLEGAL CITY PAYOFFS PART II

Safiya Khalid, P.O. Box 130654, named police officers, a judge and real estate companies that she said are involved in illegal payoffs and misconduct in order to avoid charges of discrimination against African-American renters. She said that these parties were named by her in a civil rights complaint, and as a result, she is being stalked by the police.

KERMIT SCHLANSKER - CITY WORK PROGRAM

Kermit Schlansker, 2960 Marshall Street, said that government spending must be concentrated on workfare in communities as a way of combatting deterioration of society. He said that the structuring of such programs as the Civilian Conservation Corps would be a useful tool and would appeal to both conservative and liberal ideology in that it helps the poor but involves hard work. (Kermit Schlansker's remarks were filed with the City Clerk.)

ANDY GULVEZAN - FLASH FLOOD SONG

Andy Gulvezan, 2104 Pauline Blvd., played a song on his karaoke machine.

SANDRA HAZLETT - AIRPORT ADVISORY COMMITTEE

Sandra Hazlett, 3215 Charing Cross, requested that the Airport Advisory Committee be dropped from the proposed resolution that would limit staff participation to the Airport Manager. She said that limiting staff input at this time would be detrimental to the City and would jeopardize an important city asset.

LARRY FOX - CITY ADMINISTRATOR

Larry Fox, 530 S. State Street, commended the Democrats for their city administrator selection. He said that the alternative candidate was totally unacceptable because of the domestic violence joke that he made during the interview.

PUBLIC HEARINGS

ARBOR HILLS PHASES II AND III REZONING - CONTINUED

A public hearing was conducted on the proposed Amendment to Chapter 55, Rezoning of 44.48 acres from Preliminary Phase PUD (Planned Unit Development) to Final Phase PUD, Arbor Hills Phases II and III, north side of Green Road, north of Burbank Drive. (Ordinance No. 38-95) The public hearing was continued from August 21, 1995. There being no one to speak, the Mayor declared the hearing continued until October 16, 1995.

AMENDMENT TO CHAPTER 59 - BICYCLE PARKING

A public hearing was conducted on the proposed Amendment to Chapter 59, Off-Street Parking Ordinance Regarding Bicycle Parking.

The following persons spoke at this public hearing:

Mary Underwood, member of the Bicycle Coordinating Committee, encouraged Councilmembers to take a hard look at the proposed ordinance and to support it. She said that one of the national goals of the U.S. Department of Transportation is to increase cycling use. One of the things that could enhance the use of bicycles is adequate parking facilities to deter theft and weather damage.

Ken Clark, 419 Larkspur, said that he bikes to work, approximately 5 miles, everyday. The parking issue is a real one for cyclists because good parking is scarce and is needed to deter theft and rain damage. If Council wants to encourage commuting in the City, it should consider this ordinance change.

Council - September 18, 1996 3

Rebecca Kanner, member of the Bicycle Coordinating Committee, said that the ordinance was fully endorsed. This ordinance would encourage people out of their single cars and would provide people with a place to park their bikes.

There being no further speakers, the Mayor declared the public hearing continued to the working session to be held in October.

WILLIAMS REZONING

A public hearing was conducted on the proposed Amendment to Chapter 55, the rezoning of 0.14 acre from TWP (Township District) to R1D (Single-Family Dwelling District), Williams Property, west side of Westover Avenue between Rhea Street and Porter Avenue. (Ordinance No. 45-95)

There being no one to speak at this public hearing, the Mayor declared the hearing closed.

HERB DAVID GUITAR STUDIO SITE PLAN

A public hearing was conducted on the proposed Herb David Guitar Studio Site Plan, 0.07 acre, 302 East Liberty Street.

There being no one to speak at this public hearing, the Mayor declared the hearing closed.

1320 HURON PLACE AREA PLAN AND LAND DIVISION

A public hearing was conducted on the proposed 1320 Huron Place Area Plan and Land Division, 1.14 acres, 1320 West Huron Street.

The bonds are payable solely from the net revenues of the System and any additions thereto,

and a statutory first lien on said revenues has been established by said Ordinance. The bonds and said lien are of equal standing with the following series of Water Supply System Revenue Bonds: Series A, dated July 1, 1949; Series D, dated May 1, 1966; Series K, dated July 1, 1977; Series M, dated June 1, 1983; Series N, dated July 1, 1988, Series O, dated May 1, 1989, Series P, dated June 1, 1990, Series Q, dated May 1, 1991, Series R, dated May 1, 1991, Series S, dated December 30, 1992 and Series T, dated July 1, 1994. The bonds do not constitute a general obligation of the City. 22 Council - September 18, 1996

company or a financial surety bond, in the amount of \$80,400 and payable to the order of the Treasurer of the Issuer, must accompany each bid as a guarantee of good faith on the part of the bidder, to be forfeited as liquidated damages if such bid be accepted and the bidder fails to take up and pay for the bonds. If a check is used, it must accompany each bid. If a Financial Surety Bond is used, it must be from an insurance company licensed to issue such a bond in the State of Michigan and such Bonds must be submitted to the Issuer's financial advisor prior to the opening of the bids. The financial surety bond must identify each bidder whose good faith deposit is guaranteed by such financial surety bond. If the bonds are awarded to a bidder utilized a financial surety bond, then that purchaser (the "Purchaser") is required to submit its good faith deposit to the Issuer or its financial advisor in the form of a cashier's check (or wire transfer such amount) as instructed by the Issuer or its financial advisor in the form of a cashier's check not later than Noon, Eastern Daylight Time, on the next business day following the award. If such good faith deposit is not received by that time, the financial surety bond may be drawn by the Issuer to satisfy the good faith deposit requirement. The good faith deposit will be applied to the purchase price of the bonds. In the event the Purchaser fails to honor its accepted bid, the good faith deposit will be retained by the Issuer. No interest shall be allowed on the good faith checks and checks of the unsuccessful bidders will be promptly returned. The good faith check of the successful bidder may be deposited immediately by the Issuer and payment for the balance of the purchaser price of the bonds shall be made at the closing.

MICHIGAN PROPERTY TAX REFORM: On March 15, 1994, the electors of the State of Michigan voted to amend the State Constitution to increase the state sales tax from 4% to 6% and to place a yearly cap on property value assessment increases. A new state education authority will levy a property tax to finance education, and a higher real estate transfer tax will be imposed on the sale of real property. Two separate bills have been introduced in the Michigan House of Representatives which, if enacted, could, depending on the version enacted, result in either immediate or phased-in exemption of all or some of the personal property located in the jurisdictional boundaries of the City, without making provision for replacement of lost revenues to the City. While the ultimate nature, extent and impact of the constitutional amendment, the accompanying legislation and of other tax and revenue measures which are still to be adopted cannot currently be predicted, purchasers of the bonds offered herein should be alert to the potential effect of such measures upon the bonds, the security therefor, and the operations of the City.

CONTINUING DISCLOSURE: As described more fully in the Official Statement, the City

will agree in the resolution awarding the Bonds to provide or cause to be provided, in accordance with the requirements of Rule 15c2-12 (the "Rule") promulgated by the Securities and Exchange Commission, (i) on or prior to the 180th day after the end of the fiscal year of the City, commencing with the fiscal year ended June 30, 1996, certain annual financial information and operating data, including audited financial statements for the preceding fiscal year, generally consistent with the information contained or crossreferenced in the Official Statement relating to the Bonds, (ii) timely notice of the occurrence of certain material events with respect to the Bonds and (iii) timely notice of a Council - September 18, 1996 23

failure by the [Issuer] to provide the required annual financial information on or before the date specified in (i) above.

AWARD OF BONDS: The bonds will be awarded to the bidder whose bid produces the lowest interest cost computed by determining, at the rate or rates specified in the bid, the total dollar value of all interest on the bonds from _____ 1, 1995, to their maturity and deducting therefrom any premium or adding thereto any discount.

LEGAL OPINION: Bids shall be conditioned upon the approving opinion of Miller, Canfield, Paddock and Stone, P.L.C., attorneys of Detroit, Michigan, a copy of which opinion will be printed on the reverse side of each bond, and the original of which will be furnished without expense to the purchaser of the bonds at the delivery thereof. The fees of Miller, Canfield, Paddock and Stone, P.L.C. for services rendered in connection with such approving opinion are expected to be paid from bond proceeds. Except to the extent necessary to issue their approving opinion as to validity of the above bonds, Miller, Canfield, Paddock and Stone, P.L.C. has not been requested to examine or review and has not examined or reviewed any financial documents, statements or materials that have been or may be furnished in connection with the authorization, issuance or marketing of the bonds, and accordingly will not express any opinion with respect to the accuracy or completeness of any such financial documents, statements or materials.

If the bonds are not tendered for delivery by twelve o'clock noon, Eastern Daylight Time, on the 45th day following the date of sale, or the first business day thereafter if said 45th day is not a business day, the successful bidder may on that day, or any time thereafter until delivery of the bonds, withdraw his proposal by serving notice of cancellation, in writing, on the undersigned in which event the Issuer shall promptly return the good faith deposit.

Payment for the bonds shall be made in immediately available funds. Accrued interest to the date of delivery of the bonds shall be paid by the purchaser at the time of delivery. Unless the purchaser furnishes the transfer agent with a list giving the denominations and names in which it wishes to have the certificates issued at least 5 business days prior to delivery of the bonds, the bonds will be delivered in the form of a single certificate for each maturity registered in the name of the purchaser.

TAX EXEMPTION: In the opinion of bond counsel, the bonds will be exempt from taxation in the State of Michigan and from federal income tax subject, in both cases, to certain exceptions described in bond counsel's opinion.

CUSIP NUMBERS: CUSIP identification numbers will be printed on the bonds, but neither the failure to print the numbers nor any error with respect thereto shall constitute cause for 24 Council - September 18, 1996

refusal by the purchaser to accept delivery of the bonds. All expenses in relation to the printing of CUSIP numbers shall be paid for by the Issuer except that the CUSIP Service Bureau charge for the assignment of numbers shall be the responsibility of and paid for by the purchaser.

MICHIGAN PROPERTY TAX REFORM: On March 15, 1994, the electors of the State of Michigan voted to amend the State Constitution to increase the state sales tax from 4% to 6% and to place a yearly cap on property value assessment increases. A new state education authority will levy a property tax to finance education, and a higher real estate transfer tax will be imposed on the sale of real property. Two separate bills have been introduced in the Michigan House of Representatives which, if enacted, could, depending on the version enacted, result in either immediate or phased-in exemption of all or some of the personal property located in the jurisdictional boundaries of the City, without making provision for replacement of lost revenues to the City. While the ultimate nature, extent and impact of the constitutional amendment, the accompanying legislation and of other tax and revenue measures which are still to be adopted cannot currently be predicted, purchasers of the bonds offered herein should be alert to the potential effect of such measures upon the bonds, the security therefor, and the operations of the City.

R-436-9-95 APPROVED AS REVISED
RESOLUTION REAFFIRMING THE CITY'S COMMITMENT
TO USE CHLORINE-FREE RECYCLED CONTENT PAPER
34 Council - September 18, 1996

Whereas, It is the policy of the City of Ann Arbor to promote the use of recycled content products and environmentally responsible purchases generally; and
Whereas, The City should be a leader in implementing such policies to set a positive example for the private sector, other governmental units, and the general public; and
WHEREAS, The International Joint Commission on the Great Lakes and the United States EPA have reported that the use of chlorine-based chemicals in pulp and paper making processes form persistent toxic by-products which pose a hazard to the environment and a threat to public health; and

Whereas, Technology exists to provide for all of society's paper needs without the use of chlorine-based compounds; and

Whereas, Staff has investigated the price, availability, quality, and acceptability of chlorine-free paper; and

Whereas, This investigation has produced positive results, including a price lower than that of bleached virgin or recycled paper alternatives; and

Whereas, The City has already made a policy commitment to use recycled content paper products whenever possible;

RESOLVED, That the City will continue to favor the procurement of non-chlorine bleached recycled content paper products whenever such paper is of comparable quality and within ten percent of the purchase price of non-chlorine-free paper, and that the City will promote the use of chlorine-free paper; and

RESOLVED, That the Solid Waste Department, working with the Administrative Services Department, will report to City Council on the progress relating to the implementation of this program no later than October 1, 1996.

Councilmember Kolb moved that the resolution be approved as revised.

R-437-9-95 APPROVED AS REVISED
RESOLUTION REVISING CERTAIN REQUIREMENTS FOR THE
CITY'S DOMESTIC PARTNERSHIP BENEFITS PROGRAM

Whereas, The City of Ann Arbor decided to extend health insurance and other
Council - September 18, 1996 35

benefits to the domestic partners of permanent city employees on August 17, 1992;

Whereas, One of the goals of establishing such a program was to treat same-sex couples in committed relationships in the same way as couples who currently have the option of obtaining marriage licenses;

Whereas, Some of the eligibility requirements for obtaining health insurance and other benefits for the domestic partners of lesbian or gay city employees are more stringent than those required of city employees who have the option of obtaining marriage licenses; and

Whereas, To the extent possible, we should eliminate requirements that treat these two populations differently;

RESOLVED, That Section B, Part II of the City's application/affidavit for Employee Domestic Partnership Benefits, which states that city employees "may not file another affidavit until at least six (6) months after termination of this domestic partnership", be deleted as no such requirement exists for those city employees who have the option of obtaining marriage licenses; and

RESOLVED, That the statement in the City's Affidavit of Termination of Domestic

Partnership which reads that "I understand that another Affidavit of Domestic Partnership cannot be filed for six (6) months after this Statement of Termination of Domestic Partnership has been filed with the Department of Personnel and Human Relations, unless termination of the affidavit is due to death of my domestic partner." be deleted. Councilmember Nicolas moved that the resolution be approved as revised. On a voice vote, the Mayor declared the motion carried with Councilmember Fink dissenting.

R-438-9-95 APPROVED AS SUBSTITUTED
RESOLUTION REGARDING REQUESTS FOR INFORMATION
REQUESTED UNDER THE MICHIGAN FREEDOM OF
INFORMATION ACT

Whereas, The purpose of Michigan's Freedom of Information Act is to ensure the public's access to information regarding their government which is not specifically exempted under the Act;

Whereas, The Act allows municipalities up to five (5) days to respond to such requests;

36 Council - September 18, 1996

Whereas, In some instances, waiting five days to release the information means that such information is not made available to the public in advance of City Council action on that issue; and

Whereas, A lack of access to information regarding a particular issue prior to City Council action on that issue prevents members of the public from educating themselves on the issue and then providing feedback to their elected officials;

BE IT RESOLVED, That the City of Ann Arbor hereby establishes a policy of responding to reasonable freedom of information act requests which directly relate to pending City Council action no later than 24 hours prior to City Council action on the matter when the public has received less than five days notice regarding City Council action on the matter.

Councilmember Nicolas moved that the substitute resolution be approved.

On a voice vote, the Mayor declared the motion carried unanimously.

Council - September 18, 1996 37

RESOLUTION REGARDING THE GATHERING OF INFORMATION
ON THE PROPOSED ELIMINATION OF CERTAIN CITY BOARDS,
COMMITTEES AND COMMISSIONS AND THE LIMITATION OF
STAFF PARTICIPATION ON OTHER CITY BOARDS,
COMMITTEES, AND COMMISSIONS

Whereas, The City of Ann Arbor has 85 different boards, committees, and commissions;

Whereas, Some of these committees have completed their charge, been pre-empted by other committees or other levels of government, have no members, or do not meet, and;

Whereas, Other committees serve a useful purpose, but utilize a great deal of staff time;

Whereas, Given the tightness of the current city budget, it would be helpful to minimize staff activity on committees so that they can focus their efforts on the direct provision of services to City of Ann Arbor residents; and

Whereas, Even though some of these committees may serve a purpose at some future date, City Council can always re-create them;

RESOLVED, That the Mayor and City Council hereby request that the city administrator provide the following list of possible changes to city department heads and request that they get feedback from their staff as well as members of these committees, and that this information be reported to the Mayor and City Council in writing within 8 weeks so that we may better determine a course of action:
