Resolution Accepting Easement for Public Utilities from Ann Arbor Campus Housing, LLC (The Courtyards - 1760, 1770 and 1780 Broadway) **(8 Votes Required)**

There is a resolution before you to accept an easement for public utilities from Ann Arbor Campus Housing, LLC, a Delaware limited liability company. The easement is for the maintenance of public water main and sanitary sewer.

Under the terms of the grant of easement for the public utilities system, the property owner has agreed to hold the City harmless from any damage to its private services located within the easement area as a result of the City's installation or maintenance of the public utilities.

The Engineering and Systems Planning units of the Public Services Area have reviewed the easement and have no objections.

The easement is otherwise in standard form and conveyed without cost to the City.

Acceptance of the easement is recommended.
