In 2010, City Council accepted a grant of easement from Executive Hospitality, Inc., a Michigan corporation, for pedestrian access on the property that is now part of the condominium known as United Condominium Development, which is the site of a proposed Hampton Inn. The new sidewalk easement is intended to supersede and replace the prior easement.

This easement is in standard form and is conveyed without cost to the City.

Release of the existing pedestrian access easement and acceptance of the new sidewalk easement is recommended.
