Resolution to Award a Construction Contract to Verdeterre Contracting, Inc. for the Orchard Hills Water Main Extension Project (\$153,293.50; Bid No. ITB-4439)

Attached for your review and approval is a resolution to award a contract to Verdeterre Contracting, Inc. in the amount of \$153,293.50 for the Orchard Hills Water Main Extension Project.

This project consists of the construction of a new 12-inch water main across the Arboretum from Orchard Hills Drive to Riverview Court. The purpose of this water main is to provide a looped connection in anticipation of future water main construction on Riverview Drive. The future water main construction on Riverview Drive will improve fire protection and provide municipal water service to parcels that currently draw their drinking water from wells.

In response to the invitation to bid (ITB-4439), four (4) bids were received on Thursday, June 2, 2016. The low bid from Verdeterre Contracting, Inc. of \$153,293.50 is approximately 9% lower than the Engineer's Estimate. A summary of bids received for the project are attached.

Verdeterre Contracting, Inc. complies with the City of Ann Arbor's Non-Discrimination and Living Wage Ordinances.

The construction of the project is scheduled to begin in September of 2016 and to be completed by November of 2016.

### Budget/Fiscal Impact

The FY 2016-2021 Capital Improvements Plan (CIP) includes the Orchard Hills Water Main Extension Project (UT-WS-14-14). Funding for the project is included in the approved Water System capital budget.
