Resolution to Approve an Agreement with the Washtenaw County Road Commission for the Installation of a Traffic Signal at West Liberty Road and Scio Ridge Road (\$35,000.00)
Attached for your review and approval is a resolution to authorize an agreement with the Washtenaw County Road Commission (WCRC) for the installation of a traffic signal at West Liberty Road and Scio Ridge Road.

Scio Ridge Road and Liberty Road west of the intersection are under the jurisdiction of the WCRC. Liberty Road east of the intersection is under the City's jurisdiction. Both the City and WCRC have received multiple communications from residents about the desire for a traffic signal at this location. WCRC staff evaluated the intersection and determined that the intersection meets the required warrants for a traffic signal.

City and WCRC staff met to discuss the cost and implementation of the work, and agreed to the cost distribution described in the attached agreement. In short, a City contractor will install the necessary ADA compliant sidewalk ramps and related concrete work. The WCRC will perform the remaining work to install the signal.

The total cost of the project is estimated at approximately \$100,863.00. The City will be responsible for the cost of installing the sidewalk ramps (approximately \$5,000.00); plus 30% of the remaining signal work, up to a maximum of \$30,000.00 for the signal work. The WCRC will operate the signal and perform all long term maintenance.

The attached agreement between the City and the WCRC establish the rights and responsibilities of the WCRC and the City relative to the work, including the funding, implementation, and method of payment.

Budget/Fiscal Impact

The cost for the City's share of this project will be paid for from the approved Major Street Fund operations and maintenance budget.

Prepared by: Nicholas Hutchinson, P.E., City Engineer

Reviewed by: Craig Hupy, Public Services Area Administrator

Approved by: Howard S. Lazarus, City Administrator

Whereas, The intersection of West Liberty Road and Scio Ridge Road meets the required warrants for a traffic signal;

Whereas, The City and Washtenaw County Road Commission (WCRC) have received multiple communications from residents about the desire for a traffic signal at this location;

Whereas, The City has jurisdiction over one leg of the intersection, with the WCRC having jurisdiction over the other two;

Whereas, The WCRC and the City agree to share the cost of the traffic signal installation at the intersection;

Whereas, The City and the WCRC have reached an understanding with each other and desire to enter into this Agreement to establish the rights and responsibilities of the WCRC and the City relative to the work, including the funding, implementation, and method of payment; and

Whereas, Funding for the City share of the project is available in the approved Major Street Fund Operations and Maintenance Budget;

RESOLVED, That City Council approves the attached Agreement with the Washtenaw County Road Commission for the installation of a traffic signal at West Liberty Road and Scio Ridge Road;

RESOLVED, That the Mayor and City Clerk be authorized and directed to execute said agreement after approval as to form by the City Attorney and approval as to substance by the City Administrator; and

RESOLVED, That the City Administrator be authorized to take the necessary administrative actions to implement this resolution.
