File #:	17-1247	Version:	1	Name:	DTE State Street Utility Substation Planned Project Site Plan for City Council Approval
Type:	Resolution/Public Hearing	Status:			Filed
File created:	8/17/2017	In control:			City Planning Commission
On agenda:	9/6/2017	Final action:			9/6/2017
Enactment date:		Enactment #:			

Title: DTE State Street Utility Substation Planned Project Site Plan for City Council Approval - DTE Energy is proposing to construct an expanded substation at their existing substation at 2551 South State Street. The substation will be surrounded by a masonry wall and will be landscaped. Vehicular access will be from the private drive south of the site. A Planned Project is proposed to accommodate the height of the electric towers. The petition is also proposing the removal of a number of landmark trees requiring City Council approval. Staff Recommendation: Approval
