

## Legislation Details

**File #:** 17-1247      **Version:** 1      **Name:** DTE State Street Utility Substation Planned Project Site Plan for City Council Approval  
**Type:** Resolution/Public Hearing      **Status:** Filed  
**File created:** 8/17/2017      **In control:** City Planning Commission  
**On agenda:** 9/6/2017      **Final action:** 9/6/2017  
**Enactment date:**      **Enactment #:**

**Title:** DTE State Street Utility Substation Planned Project Site Plan for City Council Approval - DTE Energy is proposing to construct an expanded substation at their existing substation at 2551 South State Street. The substation will be surrounded by a masonry wall and will be landscaped. Vehicular access will be from the private drive south of the site. A Planned Project is proposed to accommodate the height of the electric towers. The petition is also proposing the removal of a number of landmark trees requiring City Council approval. Staff Recommendation: Approval
