### Resolution to Approve a Second Supplemental Agreement for Siller Terrace at Virginia Park **(8 Votes Required)**

On December 18, 1979, the City entered into an Agreement recorded at Liber 1756, page 990, Washtenaw County Records with John R. Siller for ingress and egress over City property to the Siller Terrace duplexes, which Mr. Siller was developing, in exchange for construction and maintenance of a roadway, parking lot, and sidewalk on the City property that would provide public access to Virginia Park.

On January 12, 1981, the original Agreement was modified by a Supplemental Agreement recorded at Liber 1791, page 167, Washtenaw County Records that reflected a change in the roadway, parking lot, and sidewalk configuration as a result of a site plan for 1530-32 Siller Terrace, which was also being developed by Mr. Siller.

1530-32 Siller Terrace is now in the process of being sold and the Second Supplemental Agreement will clarify that all of the Siller Terrace parcels are jointly responsible for the maintenance, repair and replacement of the roadway, parking lot, and sidewalk, and that the public has the right to access Virginia Park over the portion of the sidewalk that is on 1530-32 Siller Terrace.

The executed Second Supplemental Agreement will be held in escrow pending the sale of the property, at which time the Second Supplemental Agreement will be recorded. If the Second Supplemental Agreement is not recorded, the approval will be void.

Approval is recommended.
