Resolution to Approve Purchase of Citrix Licensing, Support, and Professional Services from CDW Government LLC (\$72,437.72)

The attached resolution seeks authorization to purchase new products from Citrix (NetScaler VPX200), an upgrade of licensing from XenApp to XenDesktop, along with software maintenance and technical support for a period of 3 years for such products. This resolution also seeks authorization to hire professional services from CDW Government LLC to assist in the migration and upgrade necessary to implement these new products. This will be payable for FY2019 in the amount up to \$72,437.72 to CDW Government LLC, subject to annual budget approvals which will consist of \$28,904.37 for the licensing purchase and year one of support, and \$24,980.00 for professional services to be billed at an hourly rate. \$9,276.68 will apply to FY2020 for software maintenance and technical support, as will \$9,276.67 for FY2021.

Fiscal/Budget Impact: This expenditure is in the FY2019 Information Technology Budget and is planned to be included in FY2020 and FY2021 Information Technology Fund Budget.

The City of Ann Arbor received this quote through MiDEAL.

This purchase seeks to modernize the City's Citrix computing environment with purchase of NetScaler VPX and XenDesktop software licenses, and provide necessary maintenance and tech support through FY2021.

The City has already entered into a Product Sales and Service Projects Agreement with CDW Government LLC (dated May 8, 2018) and the terms of that Agreement will apply to the proposed transactions.
