Resolution to Order Election, Determine Ballot Question for Charter Amendment for Approval of the Park Maintenance and Capital Improvements Millage for 2019 through 2024, and Reaffirm the Park Maintenance and Capital Improvements Administrative Millage Policy **(7 Votes Required)**  
Approval of this resolution will place a ballot question asking for the authorization of a new millage to replace the expiring park maintenance and capital improvements millage on the November 6, 2018 ballot and reaffirm City Council's administrative millage policy.

With the expiration of the millage approaching, a work group consisting of Park Advisory Commission and City staff members evaluated the existing millage and related funding guidelines and Administrative Policy set by City Council. The Park Advisory Commission recommended a millage renewal and reaffirmation of the administrative millage policy at their July 17, 2018 regular meeting.

Staff is recommending the Park Maintenance and Capital Improvements Millage for renewal. This millage renewal proposes 1.10 mills and estimates a total revenue in the first year of the new millage, if approved, to be \$6,042,300. Subsequent annual revenue will be adjusted based on the Headlee rollback and property value adjustments. The annual cost to a homeowner based on a mean taxable value of \$126,628 is expected to be \$139.29 for FY2020. The current cost to a homeowner based on a mean taxable value of \$126,628 for the expiring millage for FY2019 is \$136.26.

This millage will be for six-years with the following annual fund allocation: 70% park maintenance activities, 30% park capital improvement projects, and up to a 10% variable shift between the two annually. Park maintenance activities that are funded from this millage will include forestry and horticulture, natural area preservation, park operations, recreation facilities, and targets of opportunity. Capital improvement projects will include active parks; historic preservation; neighborhood parks and urban plazas; pathways, trails, boardwalks, greenways and watersheds; recreation facilities; and targets of opportunities.

City Council passed a Resolution of Intent on the Administration of the Park Maintenance and Capital Improvements Millage in 2006 and amended it twice over the life of the millage. PAC recommends that this administrative policy be reaffirmed prior to the millage renewal being placed on the November ballot so as to inform voters of the manner in which administration of the millage will be managed.

Whereas, The Park Maintenance and Capital Improvements Millage is the principal funding source for the City's park and recreation capital improvement programs and park repair and restoration programs;

Whereas, The Park Maintenance and Capital Improvements Millage was approved by the voters in 2012 for six years;

Whereas, The Park Maintenance and Capital Improvements Millage will expire in 2018;

Whereas, It is in the City's best interest to present a new millage to the voters which supports the objectives of the expiring millage and provides essential resources for the ongoing maintenance and improvement of the parks system; and

Whereas, The Parks Advisory Commission, at its July 17, 2018 meeting unanimously supported presentation of a new millage to the voters;

RESOLVED, That City Council amend Section 8.19 of the City Charter as follows:  
Funds for Park Maintenance and Capital Improvements;

Section 8.19. In addition to any other amount which the City is authorized to raise by general tax upon the real and personal property by this Charter or any other provision of law, the City shall, in 2019 through 2024 annually levy a tax of 1.10 mills on all taxable real and personal property situated within the City for the purpose of financing park maintenance activities in the following categories: forestry and horticulture, natural area preservation, park operations, park equipment repairs, park security, and recreation facilities; and for the purpose of financing park capital improvement projects for active parks, forestry and horticulture, historic preservation, neighborhood parks and urban plazas, pathways, trails, boardwalks, greenways, the Huron River watershed, recreation facilities and park equipment acquisitions.

RESOLVED, That November 6, 2018 is designated as the day for holding an election on the proposed Charter amendment;

RESOLVED, That the Clerk shall transmit a copy of the proposed amendment to the Attorney General and the Governor of Michigan and shall perform all other acts required by law for holding the election;

RESOLVED, That the proposed Charter amendment shall appear on the ballot in the following form:
