Whereas, Section 7.4 of the City Charter authorizes the publication by summary of ordinances over 500 words in length;

RESOLVED, That the publication of Ordinance 09-13 shall be by the following summary:

Ordinance 09-13 amends Section 5:92 of Chapter 55 (Zoning Ordinance) and Section 5:122 of Chapter 57 (Subdivision and Land Use Control) of Title V of the Code of the City of Ann Arbor. The amendment to Chapter 57 would allow an exemption from site planning for construction or expansion of commercial recycling dumpsters and related enclosures. The amendment to Chapter 55 would require zoning compliance permits for the construction of the recycling facilities. These amendments will encourage commercial recycling and provide needed standards for the installation of related improvements to existing sites without the need for site plan approval.
