Resolution to Direct the City Attorney to Settle *Ann Arbor Central Park Ballot Committee v City of Ann Arbor, et al.*, Case No. 18-816-CZ by Stipulating to an Injunction

In recognition of the recent passage of Proposal A (and the pending litigation concerning the "Library Lot"), on December 31, 2018, City Administrator Lazarus exercised the City's right to terminate its agreement with CORE Spaces for the sale of the development rights to the Library Lot, and notified CORE Spaces of that step.

In the above-referenced lawsuit, Plaintiff Ann Arbor Central Park Ballot Committee seeks to, among other things, enjoin the City from proceeding with said sale because of the passage of Proposal A. The Plaintiff has now offered to settle that case with the entry of the attached stipulation, and the attached injunction to which it stipulates, which will enjoin the City from selling the development rights to the Library Lot pursuant to the sales agreement with CORE Spaces.

This resolution directs the City Attorney to execute the attached stipulation, which stipulates to entry of the attached injunction, which will end that lawsuit.
