Resolution to Approve an Agreement with Allied Building Service Company of Detroit, Inc. not to exceed \$51,590 for Construction of Evidence Room at Fire Station #6, 1881 Briarwood Circle, Per MiDEAL Contract # 00641 **(8 Votes Required)**

Attached for your approval is a resolution authorizing an agreement with Allied Building Service Company of Detroit, Inc., not to exceed \$51,590, for the construction of an evidence room at Fire Station #6, 1881 Briarwood Circle.

Fire investigation evidence has customarily been stored at Fire Station #2 in secured lockers. The Fire Station Master Planning process determined that, with an appropriate internal build out, Station #6 would be the best location for a permanent evidence room to meet current and future storage requirements.

**Budget/Fiscal Impact:** Funds for this project are not available in the current or future Fire Department budget. It is requested that the \$51,590 cost of construction be appropriated from the General Fund.
