Resolution to Approve the Local Brownfield Grant Agreement with the Washtenaw County Brownfield Redevelopment Authority (\$535,438.00)

This resolution seeks approval of a grant agreement with Washtenaw County to reimburse the City for the site basement, plan development and remediation work conducted at the Leslie Science and Nature Center (LSNC). City Council previously approved, in Resolution #R-19-365 and #R-19-434, the budget appropriation and Professional Services Agreement with Tetra Tech to conduct the work. This Agreement allows the City to be reimbursed from the County's Local Brownfield Revolving Fund.

Budget/Fiscal Impact: City Council previously approved a budget appropriation to cover the cost of the proposed work. The County has agreed to reimburse the City based on the project's current estimated cost.
