Resolution to Approve Amendment No. 1 to the Veterans Treatment Court Grant Agreement with the Michigan Supreme Court State Court Administrative Office and Appropriate Funds (\$10,000.00) (8 Votes Required)

This resolution seeks Council approval of Amendment No. 1 to the Michigan Veterans Treatment Court Grant Agreement, and further seeks authorization to accept and allocate supplemental grant funds from the State Court Administrative Office Michigan Veterans Treatment Court Grant program without regard to City Fiscal Year.

The original grant award acceptance was approved by Council on 11/18/2019 (R-19-503) in the amount of \$35,000.00. The supplemental grant award of \$10,000.00 would bring the amended total grant award to \$45,000.00.

Budget/Fiscal Impact: No matching funds are required for acceptance of this supplemental grant award.

The 15th Judicial District Court Veterans Treatment Court program is a problem-solving court that uses a combination of drug court and mental health court principles to help eligible veterans address the military service-related mental health disorders and substance use issues that have led them to be criminal justice system involved. The Court collaborates with Ann Arbor Veterans Administration, Ann Arbor Veterans Affairs Medical System as well as other treatment providers to attain needed services for participants. Additionally, participants are linked with ancillary services such as education, housing, job skills or other individualized assistance.
