Title: 416 W Huron Parking Lot Pavement Improvements Site Plan for Planning Commission Approval - A proposal to re-construct existing parking lot, adding storm water controls and landscaping subject to restrictions due to the Allens Creek Drain easement. Parking space count will decrease from 96 to 72 spaces, 4 new bicycle spaces will be provided on this 0.81-acre site zoned D2 (Downtown Interface). The petition includes two Landscape Modification requests. A request to waive the requirement for trees in interior landscape islands and two right-of-way screening trees due to restrictions of the Allens Creek Drainage Easement. A variance is also required to waive the requirements for two street trees due to the Allens Creek Drainage Easement. Staff Recommendation: Approval
