Transportation Commission Action in Response to “Resolution to Request that the City Administrator Determine the Cost and Feasibility of Supplemental Snow and Ice Removal of our Pedestrian Infrastructure to Improve Pedestrian Safety within the DDA Boundaries”

At the March 17 Transportation Commission meeting a motion was made by Feldt, seconded by Hautamaki, that the Transportation Commission believes that R-21-084 fulfills the goals of the resolution passed by the Transportation Commission February 17, 2021, and therefore the Transportation Commission believes that no further action on *2/16/21 Resolution to Determine Cost and Feasibility of Supplemental Snow and Ice Removal* is needed from City Council at this time. On a unanimous voice vote, the Chair declares the motion carried.
