Resolution to Approve Purchase of Multi-Year Support and Maintenance Contract from Hedrick Associates (\$90,367.20)

Attached for your review and action is a resolution authorizing a purchase of support and preventative maintenance from Hedrick Associates for \$90,367.20. This proposal has been competitively bid through MiDEAL. Hedrick Associates is a local reseller for Vertiv, a leading name in the industry.

Budget/Fiscal Impact: Funding for the Firewall maintenance and support is available in the FY2022 (\$27,538.20) and FY2023 (\$27,538.20) Information Technology Services Unit budgets. This expense will be budgeted for in the FY2024 (\$37,913.48) Information Technology Services Unit budget.

This preventative maintenance covers two Uninterruptible Power Supplies (UPS) in the primary City of Ann Arbor data center and a third UPS in our secondary data center. The battery systems for these UPS are also a part of this agreement. Maintenance to the computer room air conditioning (CRAC) system in the primary data center is also included. These systems are critical to keeping the City of Ann Arbor server infrastructure online and protected.

Prepared by: Jen Grimes, IT Infrastructure and Cybersecurity Manager

Approved by: Tom Crawford, City Administrator

Whereas, The attached proposal will provide services to maintain critical infrastructure systems required to run the City of Ann Arbor data center; and

Whereas, Funding for this maintenance and support service is available in the FY2022 (\$27,538.20) IT Service Unit budget and the remaining FY2023 (\$27,538.20) and FY2024 (\$37,913.48) amounts are planned to be budgeted in those fiscal years.

Whereas, The City procured this service with Hedrick Associates through MiDEAL cooperative

purchasing arrangement in accordance with City Code section 1:316(2);

RESOLVED, That City Council approve a purchase order with Hedrick Associates for preventative maintenance and support of a second UPS in an amount of \$90,367.20, to be expended in FY2022 (\$27,538.20), FY23 (\$27,538.20) and FY2024 (\$37,913.48) from the IT Service Unit budget, subject to appropriation;

RESOLVED, That the City Council determines that the procurement of such service through the MiDEAL cooperative purchasing arrangement is cost-effective and in the City's best interest; and

RESOLVED, That the City Administrator be authorized to take all necessary actions to implement this resolution regardless of fiscal year, including execution of any amendments that do not exceed the amounts authorized herein, subject to City Attorney review and approval.
