Resolution to Approve Renewal of a Multi-Year Enterprise Agreement with Microsoft Corporation and Related Multi-Year Payment Plan and Sales and Service Agreement with Dell Marketing L.P. (\$1,370,000.00)

The attached resolution seeks authorization to approve a three-year Enterprise Agreement with Microsoft Corporation, payable in three annual installments, for FY2022, FY2023 and FY2024 in the amount of \$450,000.00 in FY2022 and \$450,000.00 in FY2023 and \$470,000.00 in FY2024 (each year), to Dell Marketing L.P., totaling \$1,370,000.00.

Budget/Fiscal Impact: This expenditure is planned for and budgeted in the FY2022 and FY2023 Information Technology Services Fund proposed budgets. The expenditures will be planned for and budgeted in the FY2024 Information Technology Services Fund budget.

This bid was generated against the Midwestern Higher Education Compact (MHEC) to provide fair prices to the public sector.

The renewal of the Enterprise Agreement provides the City access to current software licenses, upgrades and maintenance for Microsoft Windows Desktop Operating Systems, Office 365, Windows Server Client Access Licenses, Exchange Mail Client Access Licenses, SQL Server, SharePoint Server Client Access Licenses, Terminal Server Licenses, Visio, Project, PowerBI, and Azure hosting. Funds are being requested above the license quote to cover mid-year additions and on demand pricing for Azure services.

Funds for this expense are budgeted in the FY2022 and FY2023 Information Technology Service Fund Budgets; funds will be planned and budgeted in the FY2024 IT Fund Budgets. Authorization of

the payment plan will allow for the issuance of a Purchase Order in the amount of \$450,000.00 for FY2022, as well as the authorization of payment of the balance by purchase orders of \$450,000.00 in FY2023 and \$470,000.00 in FY2024, subject to and subsequent to annual budget approvals in each fiscal year.
