Resolution to Approve a Contract with Doan Construction Co. (Bid No. ITB 4045 - \$520,000.00) for ADA Corner Ramp Replacements

Attached for your consideration is a resolution that authorizes a one-year contract in the amount of \$520,000.00 with Doan Construction Co. for ADA Corner Ramp replacements throughout the City. The resolution also authorizes an option to extend the contract with Doan Construction Co. for two additional one-year periods for a total of \$1,560,000.00 with the same terms and conditions subject to the annual appropriation of funds in FY11 and FY12.

The contract is a unit price contract for corner ramp replacements at various locations throughout the City. The contract quantities are based on the re-design of ramps that were constructed between 1992 and 2004. The work is for corner ramps ADA compliance as part of the Consent Decree with the Center for Independent living.

Requests for bids were posted online and bids were received from five contractors. After evaluating the bids, Staff determined that the prices were competitive and recommends Doan Construction Co. to be awarded the contract. The bid tabulation is attached. Funding for this work is budgeted in the approved Public Services Area, Street Millage Capital Budget for FY10.

Doan Construction Co. received Human Rights approval on September 15, 2009, and pays their employees a "living wage".
