Resolution to Adopt the Board of Review Guidelines for Poverty Exemptions from Property Taxation of Principal Residence Pursuant to MCL 211.7u

Attached for your approval is a resolution to adopt the Board of Review Guidelines for Poverty Exemptions pursuant to Michigan's General Property Tax Act (the "Act"). Local governing bodies may adopt guidelines that set income levels for poverty exemptions from taxes of principal residences at levels higher than those in the federal guidelines. Michigan Compiled Laws ("MCL") Section 211.7u of the Act requires local governing bodies to identify in their guidelines, specific income and asset level limitations of both the applicant and the household ("asset test").

Approval of the revised Board of Review Guidelines (attached) will define the Poverty Exemption, establish the existing maximum \$50,000 asset level test, and set the income limits not to exceed 2.20 times the U.S. Department of Health and Human Services for each person in the household, as p If Council approves the revision, the Board of Review will implement the changes for the 2022 tax year.
