Whereas, A membership fee of \$10,000.00 in FY22 will be funded through the Office of Community and Economic Development, and funding for a membership of \$10,000.00 will be considered for each FY23, FY24, and FY25; and

Whereas, Funding in the amount of \$10,000.00 is available in the Non-Departmental General Fund budget for this and future membership fees;
