Resolution to Approve a Payment in Lieu of Taxes (PILOT) for Union at A2 - 2050 Commerce Drive  
The Annex Group (or an affiliated entity as required by funding sources), will be acquiring and developing the property at 2050 Commerce Drive as further described in the attached resolution for the purpose of building 250 affordable homes, with an average household income at or below 60% of the Area Median Income (AMI).

The Annex Group will apply for Low Income Housing Tax Credits (LIHTC) from the Michigan State Housing Development Authority (MSHDA) which would result in a mortgage on the property.

This resolution is contingent upon City Council's approval at second reading (scheduled for February 21, 2023) of an amendment to Chapter 19 of City Code that extends tax exemptions to include housing projects for persons and families earning up to 80% of Area Median Income with a project average of 60% of Area Median Income.

City Council approved the original 2050 Commerce Drive site plan on June 4, 2018.

Staff have reviewed this housing project and determined that if approved by MSHDA, it will be eligible for tax exemption under the amended Chapter 19 of City Code.
