Resolution Recognizing Health in Action as a Civic Nonprofit Organization Operating in Ann Arbor for the Purpose of Obtaining a Charitable Gaming License

To obtain a charitable gaming license under Michigan law, a nonprofit organization is required to submit a resolution from its local governing body recognizing it as a community-based organization.

The Health in Action group is part of a larger organization, Global Reach, at the University of Michigan Medical School. Global Reach is a 501(c)3 non-profit organization that is committed to helping provide medical treatment in rural Dominican Republic. The organization includes medical students and doctors from the University of Michigan.

Passage of the attached resolution will allow Health in Action to hold a poker night at the Heidelberg in downtown Ann Arbor. Passage of this resolution is required in order to obtain final approval from the Charitable Gaming Division of the Bureau of State Lottery for this event and any future events.

Prepared by: Jacqueline Beaudry, City Clerk
