Resolution to Approve Deficit Elimination Plan as of June 30, 2009 (8 Votes Required)

The City received a letter from the State dated January 11, 2010 outlining the need to prepare and authorize a deficit elimination plan for the Park Service Headquarters fund which accounts for the maintenance and utility expenditures for the old park service headquarters at 415 W. Washington Street. Since the Comprehensive Financial Report reflects a negative unrestricted net assets of \$802 at June 30, 2009, the State of Michigan, Department of Treasury, requires that the City of Ann Arbor prepare a Deficit Elimination Plan for this fund.

The City's plan to resolve this deficit is to eliminate the Park Service Headquarters fund in fiscal year 2010 and transfer the assets and liabilities to the City's General Fund.

The City of Ann Arbor is requesting the City Council approve this transfer as the City's Deficit Elimination Plan for the deficit for fiscal year ended June 30, 2009.
