Resolution to Approve the New Contract with EyeMed Vision Care to Provide Vision Coverage to City Employees and their Dependents and Authorize the City Administrator to Execute the Necessary Documentation (\$211,376.00)

The attached Resolution authorizes the City Administrator to execute the New Contract of vision coverage services with our vision care service provider. The estimated cost of this employee benefit is \$211,376.00 for a four year contract. EyeMed is a fully insured vision provider which means they do not issue a contract, only a benefit description.

This Plan is a fully insured program, and requires the City to pay a set monthly premium that is in place for the next four years. The monthly premiums are \$4.53 for Single, \$8.61 for two people, and \$12.64 for a family.

EyeMed received Human Rights approval on February 26, 2010.

The above referenced cost projections are in accordance with the approved Fiscal Year 2010 - 2011 budget, barring any unforeseen circumstances. The benefit coverage levels will remain the same for the Fiscal Year 2010-2011 as currently underwritten.
