Resolution Accepting Easement for Public Utilities from Glacier Hills, Inc. and Partially Vacating Prior Easement for Public Utilities (8 Votes Required)

There is a resolution before you to accept an easement for public utilities from Glacier Hills, Inc., a Michigan corporation, in connection with the construction of the Glacier Hills Skilled Nursing Care facility addition pursuant to an approved site plan.

This easement also includes sections of the public utilities systems previously included in a grant of easement between Glacier Hills, Inc. and the City of Ann Arbor as recorded on January 8, 2003 in Liber 4203, page 909 in Washtenaw County Records.

This current grant of easement replaces and vacates those sections of the prior easement which only apply to the two 40-foot wide public water main easements.

The easement is in standard form and conveyed without cost to the City.

Acceptance of the easement is recommended.
