Resolution to Approve First Amendment to Legal Services Contract with Ufer & Spaniola, P.C.
The City previously retained the services of James C. Adams of Ufer & Spaniola, P.C. for legal consulting and drafting condominium documents in connection with the City Apartments/First and Washington Parking Structure project. The decision to hire outside counsel was made primarily due to the dedicated time that needs to be devoted to this project.

Mr. Adams' services were originally covered under a professional services contract with Ufer and Spaniola, P.C. for \$25,000.00. As it appears that the project will require additional legal services and the cost of Mr. Adams' services will exceed \$25,000.00, we are now coming to Council for an extension of that original contract.

All costs of Mr. Adams' services are being reimbursed by the developer, Village Green Residential Properties LLC, as required by the Parking Agreement. To date, the City has received a retainer for \$40,000.00 of these costs, and the City will continue to receive additional retention payments for future services, as necessary.

It is recommended that Council approve the resolution.
