File #: 12-1637, **Version:** 1

544 Detroit Street Planned Project Site Plan for City Council Approval - A proposal to demolish the existing structure on this 0.10 acre site and construct a 4,077 square foot, three-story mixed-use building with three covered parking spaces on the ground level. The first floor will be office use; the second and third floors will be residential use. Planned project modifications are requested to exceed the 35 ft height limit by 3 feet 6 inches; to reduce the front setback requirement along Detroit and Division Streets from 10 feet to 5 feet; and to reduce the rear setback from 30 feet to 7.5 feet. A landscape modification is requested to reduce the conflicting land use buffer along the rear property line. Staff Recommendation: Approval
