Legislation Text

File #: 15-1117, **Version:** 1

Temporary Telecommunications Facility - Cell on Wheels (COW) for City Planning Commission Approval - A request to locate a temporary "cell on wheels" tower on this 0.1 acre parcel at 910 Greene Street from August - December to provide supplementary cellular service during the Michigan football season. The tower will be 55 feet tall and mounted on a trailer and will be powered by a generator during games only. The perimeter of the property will be fenced. (Ward 4)
