The event will feature runners dressed up in costumes to run, walk, or creepily crawl the dusk-lit 3.1 miles. The event will raise funds for CARE of Southeastern Michigan, an organization whose mission is to strengthen resiliency in people and their communities through prevention, education, and services that improve their quality of life.

Epic Races will submit an application for approval from the State of Michigan Liquor Control Commission for temporary sales, service and consumption of alcoholic beverages in the defined areas pursuant to the MLCC regulations.

Notification of the street closings will be provided through the City's website and GovDelivery, the applicant will put signs along the course a few days before the event with road closure information, notify churches and neighborhood associations, and pass out fliers to impacted businesses and residents along the course.
