File #: 17-1247, **Version:** 1

DTE State Street Utility Substation Planned Project Site Plan for City Council Approval - DTE Energy is proposing to construct an expanded substation at their existing substation at 2551 South State Street. The substation will be surrounded by a masonry wall and will be landscaped. Vehicular access will be from the private drive south of the site. A Planned Project is proposed to accommodate the height of the electric towers. The petition is also proposing the removal of a number of landmark trees requiring City Council approval. Staff Recommendation: Approval
