Add a RESOLVED Clause:

...RESOLVED, The City Council directs the City Administrator to forward a copy of this resolution to each organization currently receiving funding from the City through these federal programs and urges these organizations to contact the President and their members of Congress to oppose funding cuts to these programs. ...

On a voice vote, the Mayor declared the motion carried.

The question being the resolution as amended, on a voice vote, the Mayor declared the motion carried.

The resolution as amended reads as follows:

RESOLUTION Urging the Federal Government to Maintain CDBG and Section 8 Funding to Communities

Whereas, President Bush has presented to Congress his FY '06 budget and it proposes a 50% cut in CDBG funding and a graduated 30% cut in Section 8 funding to communities across the nation;

Whereas, President Bush's proposed budget would make significant cuts in many community development programs, including Section 8 and the Community Development Block Grant program, and would transfer

the CDBG program from the Department of Housing and Urban Development to the Department of Commerce's proposed Strengthening America's Communities Grant Program;

Whereas, This proposed Commerce Department program does not explicitly provide funding for prevention of poverty and job loss, and proposes significant cuts to federal programs that have supported these activities in the past;

Whereas, In response to the President's proposed cuts in these programs, Congressman Dingell has called them "morally irresponsible" and Senators Clinton, Kerry, Kennedy, Corzine, Lautenberg, Schumer, and Durbin have sent a letter to President Bush protesting such massive cuts;

Whereas, The Ann Arbor Housing Commission has reported that the already-initiated federal cuts in Section 8 have caused the Housing Commission to lower the amount of rent for which the AAHC will issue vouchers and will, within the next 2 years, make it unaffordable for many lower-income current voucher-holders to maintain their leases;

Whereas, Cuts in these programs will negatively affect moderate and low income residents and private landlords in Ann Arbor and Washtenaw County;

Whereas, The City of Ann Arbor has a long history of supporting federal CDBG funding goals by matching the federal funds available each year on an almost dollar for dollar basis with City general funds;

Whereas, The federal funding and City general fund funding have supported a strong human services network which provides critical services to low and moderate income persons in the City;

Whereas, The City Council and the Washtenaw County Board of Commissioners recently adopted the Blueprint to End Homelessness and the City Council authorized a small supplemental grant to the Ann Arbor Housing Commission to enable the Housing Commission to fully utilize all available vouchers, and the Ann Arbor Housing Commission has met that goal;

RESOLVED, That the Ann Arbor City Council opposes President Bush's proposed changes to, and cuts in funding for, Section 8, CDBG and other community development programs;

RESOLVED, That Ann Arbor City Council urges Congress to reject any changes to and cuts in CDBG, Section 8 and other community development funding, recognizing the immediate and severe consequences such cuts will have on low and moderate income Ann Arbor residents and recognizing that such federal cuts will require increased City services to such residents; and

RESOLVED, That the City Council direct the City Administrator to forward a copy of this resolution to each organization currently receiving funding from the City through these federal programs and urges these organizations to contact the President and their members of Congress to oppose funding cuts to these programs.

RESOLVED, The City Council directs the City Administrator to forward a copy of this resolution, after certification by the City Clerk, to President Bush, Senators Carl Levin and Debbie Stabenow, and Congressman John Dingell.
