Resolution to Approve the Section 8 Management Assessment Program (SEMAP) Certification for FY 18

The Section Eight Management Assessment Program, known as SEMAP, became effective October 13, 1998. Housing authorities operating section 8 voucher programs must submit a certification form on fourteen (14) performance indicators plus a bonus indicator within 60 calendar days after the end of the agency's fiscal year.

SEMAP was scored nation-wide for the first time in 2004. Verification of several SEMAP indicators are based on data submitted by the AAHC to HUD's PIC system. See also 24 CFR 985 and HUD PIH Notice 2006-13 for the regulations regarding this program.

This year's submission deadline is August 28, 2018 in PIC for housing authorities with a June 30th year-end date. The submission must be approved by Board Resolution and certified to by the Executive Director to complete the submission.

The SEMAP assessment was conducted by Taylor Housing Commission. A summary of the agency data and SEMAP submission is attached. Program data indicates the Commission will receive a 100% SEMAP score of 145 points (140/145 points plus 5 point bonus = 145/145).

Scoring is within the "High Performer" range based on scoring 90% or higher. The AAHC had a perfect score in 13 of the 14 indicators as well as an additional 5 points in the de-concentration bonus category.
