Resolution to Support the Proposed FY 2020 City of Ann Arbor Municipal Budget Process
Resolution to support the FY20 and FY21 budget and budget process as presented by City Administrator Howard Lazarus to the Environmental Commission.

Prepared by:

Missy Stults, Sustainability and Innovations Manager

Whereas, the Environmental Commission received a presentation about climate and sustainability related elements of the proposed FY 2020 Budget on April 25, 2019;

Whereas, the budget includes funding to support projects and programs that will benefit City and community-facing climate and sustainability programs throughout the City; and,

Whereas, the City of Ann Arbor has established a goal of reducing community-wide greenhouse gas emissions by 25% by 2025 and 90% by 2050 (based on emissions in 2000); and

Whereas, the City of Ann Arbor has established a goal of powering municipal operations with 100% clean and renewable energy by 2035 (based on emissions in 2000);

Resolved, the Environmental Commission endorses the climate and sustainability related elements of the proposed FY 2020 budget moving forward through the budget process.
