### Ann Arbor Housing Commission Executive Director FY 22 Salary Recommendation Based on the City's Pay Equity Review

The City conducted a pay equity review for all non-union City employees. It was determined that Jennifer Hall, Executive Director, should be paid at an annual compensation of \$125,000 to be comparable to her colleagues and appropriately placed in her current pay grade. This recommended pay equity adjustment would bring Jennifer to 65.51% in range to be comparable to her peers in grade 13. This would be a 5.57% salary adjustment.

The City is recommending that the pay equity salary adjustment be retroactive to 9/26/2021, the date that other non-union City employees received their pay equity salary adjustments.

The Executive Director has the authority to approve a salary adjustment for eligible AAHC employees, however, the Ann Arbor Housing Commission Board must approve any salary adjustments for the Executive Director. All other salary adjustments recommended by the City for non-union AAHC employees were approved by Ms. Hall and took effect 9/26/2021.
