Resolution to Approve the Renewal Contracts with Blue Cross Blue Shield of Michigan to Provide Health Care Coverage to City Employees and Retirees and their Dependents and Authorize the City Administrator to Execute the Necessary Documentation (\$1,288,076.00)

The attached Resolution authorizes the City Administrator to execute the renewal of health care services contracts with our health care service provider. Employees and retirees, through their labor agreements or in accordance with the City's employee benefit plans, have the availability of using the Blue Cross Blue Shield Community Blue Preferred Provider Network for their health care service needs. The plan is administered by Blue Cross Blue Shield of Michigan.

The Blue Cross Blue Shield Community Blue Preferred Provider Network (or its equivalent) is provided for under our current labor agreements and our employee benefits program. This contract continues services now in effect.

In July 2010, the City received a BCBSM renewal offer of "business as usual". Instead, the City made one (1) significant change to the previous contracts with BCBSM. Analysis indicated the \$200,000.00 Stoploss deductible was too low. Thus, the following change was made:

The City moved to \$275,000.00 deductible under the specific Stoploss contract

New fees and premium effective 7/1/10 through 6/30/11 are:

\$58.05 total combined ASC fee (administration plus AAC)

\$15.42 specific Stoploss premium (\$275,000.00 deductible)

The overall costs for the program will fluctuate monthly depending both on the number of employees and retirees enrolled in the program during any given month, and the amount of incurred claims actually paid during any given month.

Blue Cross Blue Shield of Michigan received Human Rights approval on May 3, 2010.

The above referenced cost projections are in accordance with the approved Fiscal Year 2010 - 2011 budget, barring any unforeseen circumstances.
