**Sign our petition to SAVE THE INGLIS HOUSE:** Kristen Wargelin

**Email Address:** [wargelink@gmail.com](mailto:wargelink@gmail.com)

**Comment:** It would be disgraceful for the University to sell this house and property after it was gifted to them for "protection" from being developed and/or broken into smaller parcels. This is one of the gems of Ann Arbor and should remain exactly as it was accepted or return it to the family.

Sincerely,

Kristen Wargelin
