

MICHIGAN DEPARTMENT OF TRANSPORTATION
CITY OF ANN ARBOR
CONTRACT FOR A FEDERAL/STATE/LOCAL
AIRPORT PROJECT
UNDER THE BLOCK GRANT PROGRAM

This Contract is made and entered into this date of _____ by and between the Michigan Department of Transportation (DEPARTMENT) and City of Ann Arbor (SPONSOR) for the purpose of fixing the rights and obligations of the parties in agreeing to the following undertaking at the Ann Arbor Municipal Airport, whose associated city is Ann Arbor, Michigan, such undertaking (PROJECT) estimated in detail in Exhibit 1, dated December 10, 2012, attached hereto and made a part hereof.

PROJECT DESCRIPTION: INSTALL PERIMETER FENCING INCLUDING GATES (NORTH SIDE OF AIRPORT).

RECITALS:

The PROJECT is eligible for federal funding pursuant to the Airport and Airway Improvement Act of 1982, as amended, and/or the Aviation Safety and Noise Abatement Act of 1979; and

The DEPARTMENT has received a block grant from the Federal Aviation Administration (FAA) for airport development projects; and

The DEPARTMENT is responsible for the allocation and management of block grant funds pursuant to the above noted act.

The parties agree that:

1. The term "PROJECT COST," as herein used, is defined in Attachment(s) 1, attached hereto and made a part hereof. The PROJECT COST will also include administrative costs incurred by the DEPARTMENT in connection with the PROJECT. Administrative costs incurred by the SPONSOR are not eligible PROJECT COSTS.

THE SPONSOR WILL:

2. Enter into a contract with a consultant for each element of the PROJECT that requires expertise. The consultant will be selected in conformity with FAA Advisory Circular 150/5100-14. The DEPARTMENT will select the consultant for each element of the PROJECT involving preparation of environmental documentation. The SPONSOR will select the consultant for all other aspects of the PROJECT. All consultant contracts will be submitted to the DEPARTMENT for review and approval. Any such approvals will not be construed as a warranty of the consultant's qualifications, professional standing, ability to perform the work being subcontracted, or financial integrity. The SPONSOR will neither award a consultant contract nor authorize the consultant to proceed prior to receiving written approval of the contract from the DEPARTMENT. Any change to the consultant contract will require prior written approval from the DEPARTMENT. In the event that the consultant contract is terminated, the SPONSOR will give immediate written notice to the DEPARTMENT.
3. Make payment to the DEPARTMENT for the SPONSOR's share of the PROJECT COSTS within thirty (30) days of the billing date. The DEPARTMENT will not make payments for any PROJECT work prior to receipt of payment from the SPONSOR for the SPONSOR's share of that item of the PROJECT work.

Eligible PROJECT COSTS that are paid by the SPONSOR may be submitted for credit toward the SPONSOR's share of the PROJECT COST provided that they are submitted within one hundred eighty (180) days of the date the costs were incurred or within one hundred eighty (180) days of the date of award of this Contract by the parties, whichever is later. Documentation of the PROJECT COST will include copies of the invoices on which the SPONSOR will write the amounts paid, the check numbers, the voucher numbers, and the dates of the checks. Each invoice will be signed by an official of the SPONSOR as proof of payment. The amount of the SPONSOR billing will be reduced by the amount of the eligible credit, based on documentation submitted, provided it is submitted prior to the date of the billing. Should it be determined that the SPONSOR has been given credit for payment of ineligible items of work, the SPONSOR will be billed an amount to insure that the SPONSOR share of PROJECT COSTS is covered.

The SPONSOR pledges sufficient funds to meet its obligations under this Contract.

4. With regard to audits and record-keeping:
 - a. The SPONSOR will establish and maintain accurate records, in accordance with generally accepted accounting principles, of all expenses incurred for which payment is sought or made under this Contract (RECORDS). Separate accounts will be established and maintained for all costs incurred under this Contract.
 - b. The SPONSOR will maintain the RECORDS for at least six (6) years from the date of final payment made by the DEPARTMENT under this Contract. In the event of a dispute with regard to allowable expenses or any other issue under this

Contract, the SPONSOR will thereafter continue to maintain the RECORDS at least until that dispute has been finally decided and the time for all available challenges or appeals of that decision has expired.

- c. The DEPARTMENT or its representative may inspect, copy, or audit the RECORDS at any reasonable time after giving reasonable notice.
 - d. If any part of the work is subcontracted, the SPONSOR will assure compliance with subsections (a), (b), and (c) above for all subcontracted work.
5. Provide and will require its subcontractors to provide access by the DEPARTMENT or its representatives to all technical data, accounting records, reports, and documents pertaining to this Contract. Copies of technical data, reports, and other documents will be provided by the SPONSOR or its subcontractors to the DEPARTMENT upon request. The SPONSOR agrees to permit representatives of the DEPARTMENT to inspect the progress of all PROJECT work at any reasonable time. Such inspections are for the exclusive use of the DEPARTMENT and are not intended to relieve or negate any of the SPONSOR's obligations and duties contained in this Contract. All technical data, reports, and documents will be maintained for a period of six (6) years from the date of final payment.
 6. The SPONSOR agrees to require all prime contractors to pay each subcontractor for the satisfactory completion of work associated with the subcontract no later than ten (10) calendar days from the receipt of each payment the prime contractor receives from the DEPARTMENT or SPONSOR. The prime contractor also is required to return retainage payments to each subcontractor within ten (10) calendar days after the subcontractor's work is satisfactorily completed. Any delay or postponement of payment from these time frames may occur only upon receipt of written approval from the DEPARTMENT. These requirements are also applicable to all sub-tier subcontractors and will be made a part of all subcontract agreements.

This prompt payment provision is a requirement of 49 CFR, Part 26, as amended, and does not confer third-party beneficiary right or other direct right to a subcontractor against the DEPARTMENT. This provision applies to both Disadvantaged Business Enterprise (DBE) and non-DBE subcontractors.

The SPONSOR further agrees that it will comply with 49 CFR, Part 26, as amended, and will report any and all DBE subcontractor payments to the DEPARTMENT semi-annually in the format set forth in Appendix G, dated July 2010, attached hereto and made a part hereof, or any other format acceptable to the DEPARTMENT.

7. In the performance of the PROJECT herein enumerated, by itself, by a subcontractor, or by anyone acting on its behalf, comply with any and all state, federal, and local applicable statutes, ordinances, and regulations. The SPONSOR further agrees to obtain all permits that are applicable to the entry into and the performance of this Contract.

The SPONSOR agrees to comply with the Special Conditions set forth in Appendix F, attached hereto and made a part hereof.

In addition, the SPONSOR agrees to accomplish the PROJECT in compliance with the FAA "Terms and Conditions of Accepting Airport Improvement Program Grants" signed on _____.

THE DEPARTMENT WILL:

8. Bill the SPONSOR for the SPONSOR's share of the estimated PROJECT COST. The DEPARTMENT will bill the SPONSOR for the SPONSOR's share of additional estimated PROJECT COSTS for changes approved in accordance with Section 14 at the time of award of the amendment for approved work.
9. Upon receipt of payment request approved by the SPONSOR, make payment for eligible PROJECT COSTS. The DEPARTMENT will seek reimbursement from the FAA through the block grant issued to the DEPARTMENT for funds expended on eligible PROJECT COSTS.

The DEPARTMENT will not make payments for any PROJECT work prior to receipt of payment from the SPONSOR for the SPONSOR's share of that item of PROJECT work.

10. Make final accounting to the SPONSOR upon completion of the PROJECT, payment of all PROJECT COSTS, and completion of necessary audits. Any excesses or deficiencies will be returned or billed to the SPONSOR.

IT IS FURTHER AGREED:

11. The PROJECT COST participation is estimated to be as shown below and as in the attached Exhibit 1. The PROJECT COST participation shown in Exhibit 1 is to be considered an estimate. The actual DEPARTMENT, FAA, and SPONSOR shares of the PROJECT COST will be determined at the time of financial closure of the FAA grant.

Federal Share	\$150,000.00
Maximum DEPARTMENT Share	\$3,947.00
SPONSOR Share	<u>\$3,948.00</u>
<i>Estimated</i> PROJECT COST	\$157,895.00

12. The PROJECT COST will be met in part with federal funds granted to the DEPARTMENT by the FAA through the block grant program and in part with DEPARTMENT funds. Upon final settlement of cost, the federal funds will be applied to the federally-funded parts of this Contract at a rate not to exceed ninety-five percent (95%) up to and not to exceed the maximum federal obligations shown in Section 11 or as revised in a budget letter, as set forth in Section 14. Those parts beyond the federal funding maximum may be eligible for state funds at a rate not to exceed ninety percent (90%) up to and not to exceed the maximum DEPARTMENT obligation shown in Section 11.

For portions of the PROJECT where only DEPARTMENT and SPONSOR funds will be applied to the final settlement, DEPARTMENT funds will be at a rate not to exceed ninety percent (90%), and the total DEPARTMENT funds applied toward the PROJECT COST may be up to but will not exceed the maximum DEPARTMENT obligations shown in Section 11 or as revised in a budget letter, as set forth in Section 14. Any items of PROJECT COST not funded by FAA or DEPARTMENT funds will be the sole responsibility of the SPONSOR.

DEPARTMENT funds in this Contract made available through legislative appropriation are based on projected revenue estimates. The DEPARTMENT may reduce the amount of this Contract if the revenue actually received is insufficient to support the appropriation under which this Contract is made.

13. The SPONSOR agrees that the costs reported to the DEPARTMENT for this Contract will represent only those items that are properly chargeable in accordance with this Contract. The SPONSOR also certifies that it has read the Contract terms and has made itself aware of the applicable laws, regulations, and terms of this Contract that apply to the reporting of costs incurred under the terms of this Contract.
14. The PROJECT COST shown in Section 11 is the maximum obligation of DEPARTMENT and federal funds under this Contract. The maximum obligation of DEPARTMENT and federal funds may be adjusted to an amount less than the maximums shown in Section 11 through a budget letter issued by the DEPARTMENT. A budget letter will be used when updated cost estimates for the PROJECT reflect a change in the amount of funds needed to fund all PROJECT COSTS. The budget letter will be signed by the Administrator of Airports Division of the Office of Aeronautics.

A budget letter will also be used to add or delete work items from the PROJECT description, provided that the costs do not exceed the maximum obligations of Section 11. If the total amount of the PROJECT COST exceeds the maximum obligations shown in Section 11, the PROJECT scope will have to be reduced or a written amendment to this Contract to provide additional funds will have to be awarded by the parties before the work is started.

15. In the event it is determined by the DEPARTMENT that there will be either insufficient funds or insufficient time to properly administer such funds for the entire PROJECT or portions thereof, the DEPARTMENT, prior to advertising or authorizing work performance, may cancel the PROJECT or any portion thereof by giving written notice to the SPONSOR. In the event this occurs, this Contract will be void and of no effect with respect to the canceled portion of the PROJECT. Any SPONSOR deposits on the canceled portion less PROJECT COST incurred on the canceled portions will be refunded following receipt of a letter from the SPONSOR requesting excess funds be returned or at the time of financial closure, whichever comes first.

16. In the event that an audit performed by or on behalf of the DEPARTMENT indicates an adjustment to the costs reported under this Contract or questions the allowability of an item of expense, the DEPARTMENT will promptly submit to the SPONSOR a Notice of Audit Results and a copy of the audit report, which may supplement or modify any tentative findings verbally communicated to the SPONSOR at the completion of an audit.

Within sixty (60) days after the date of the Notice of Audit Results, the SPONSOR will (a) respond in writing to the responsible Bureau of the DEPARTMENT indicating whether or not it concurs with the audit report, (b) clearly explain the nature and basis for any disagreement as to a disallowed item of expense, and (c) submit to the DEPARTMENT a written explanation as to any questioned or no opinion expressed item of expense (RESPONSE). The RESPONSE will be clearly stated and will provide any supporting documentation necessary to resolve any disagreement or questioned or no opinion expressed item of expense. Where the documentation is voluminous, the SPONSOR may supply appropriate excerpts and make alternate arrangements to conveniently and reasonably make that documentation available for review by the DEPARTMENT. The RESPONSE will refer to and apply the language of the Contract. The SPONSOR agrees that failure to submit a RESPONSE within the sixty (60) day period constitutes agreement with any disallowance of an item of expense and authorizes the DEPARTMENT to finally disallow any items of questioned or no opinion expressed cost.

The DEPARTMENT will make its decision with regard to any Notice of Audit Results and RESPONSE within one hundred twenty (120) days after the date of the Notice of Audit Results. If the DEPARTMENT determines that an overpayment has been made to the SPONSOR, the SPONSOR will repay that amount to the DEPARTMENT or reach agreement with the DEPARTMENT on a repayment schedule within thirty (30) days after the date of an invoice from the DEPARTMENT. If the SPONSOR fails to repay the overpayment or reach agreement with the DEPARTMENT on a repayment schedule within the thirty (30) day period, the SPONSOR agrees that the DEPARTMENT will deduct all or a portion of the overpayment from any funds then or thereafter payable by the DEPARTMENT to the SPONSOR under this Contract or any other agreement or payable to the SPONSOR under the terms of 1951 PA 51, as applicable. Interest will be assessed on any partial payments or repayment schedules based on the unpaid balance at the end of each month until the balance is paid in full. The assessment of interest will begin thirty (30) days from the date of the invoice. The rate of interest will be based on the Michigan Department of Treasury common cash funds interest earnings. The rate of interest will be reviewed annually by the DEPARTMENT and adjusted as necessary based on the Michigan Department of Treasury common cash funds interest earnings. The SPONSOR expressly consents to this withholding or offsetting of funds under those circumstances, reserving the right to file a lawsuit in the Court of Claims to contest the DEPARTMENT's decision only as to any item of expense the disallowance of which was disputed by the SPONSOR in a timely filed RESPONSE.

17. This Contract will be in effect from the date of award through twenty (20) years.

18. Failure on the part of the SPONSOR to comply with any of the conditions in this Contract may be considered cause for placing the SPONSOR in a state of noncompliance, thereby making the SPONSOR ineligible for future federal and/or state funds until such time as the noncompliance issues are resolved. In addition, this failure may constitute grounds for cancellation of the PROJECT and/or repayment of all grant amounts on a pro rata basis, if the PROJECT has begun. In this section, pro rata means proration of the cost of the PROJECT over twenty (20) years, if the PROJECT has not yet begun.
19. Any approvals, acceptances, reviews, and inspections of any nature by the DEPARTMENT will not be construed as a warranty or assumption of liability on the part of the DEPARTMENT. It is expressly understood and agreed that any such approvals, acceptances, reviews, and inspections are for the sole and exclusive purposes of the DEPARTMENT, which is acting in a governmental capacity under this Contract, and that such approvals, acceptances, reviews, and inspections are a governmental function incidental to the PROJECT under this Contract.

Any approvals, acceptances, reviews, and inspections by the DEPARTMENT will not relieve the SPONSOR of its obligations hereunder, nor are such approvals, acceptances, reviews, and inspections by the DEPARTMENT to be construed as a warranty as to the propriety of the SPONSOR's performance, but are undertaken for the sole use and information of the DEPARTMENT.

20. In connection with the performance of PROJECT work under this Contract, the parties (hereinafter in Appendix A referred to as the "contractor") agree to comply with the State of Michigan provisions for "Prohibition of Discrimination in State Contracts," as set forth in Appendix A, attached hereto and made a part hereof. The parties further covenant that they will comply with the Civil Rights Act of 1964, being P.L. 88-352, 78 Stat. 241, and the Regulations of the United States Department of Transportation (49 CFR, Part 21) issued pursuant to said Act, including Appendix B, attached hereto and made a part hereof, and will require similar covenants on the part of any contractor or subcontractor employed in the performance of this Contract.

The SPONSOR will carry out the applicable requirements of the DEPARTMENT's Disadvantaged Business Enterprise (DBE) program and 49 CFR Part 26, including, but not limited to, those requirements set forth in Appendix C, dated October 1, 2005, attached hereto and made a part hereof.

21. In accordance with 1980 PA 278; MCL 423.321 *et seq.*, the SPONSOR, in the performance of this Contract, will not enter into a contract with a subcontractor, manufacturer, or supplier listed in the register maintained by the United States Department of Labor of employers who have been found in contempt of court by a federal court of appeals on not less than three (3) separate occasions involving different violations during the preceding seven (7) years for failure to correct an unfair labor practice, as prohibited by Section 8 of Chapter 372 of the National Labor Relations Act, 29 USC 158. The DEPARTMENT may void this Contract if the name of the SPONSOR or the name of a subcontractor, manufacturer, or supplier utilized by the SPONSOR in

the performance of this Contract subsequently appears in the register during the performance period of this Contract.

22. With regard to claims based on goods or services that were used to meet the SPONSOR's obligation to the DEPARTMENT under this Contract, the SPONSOR hereby irrevocably assigns its right to pursue any claims for relief or causes of action for damages sustained by the State of Michigan or the DEPARTMENT due to any violation of 15 USC, Sections 1 - 15, and/or 1984 PA 274, MCL 445.771 - .788, excluding Section 4a, to the State of Michigan or the DEPARTMENT.

The SPONSOR shall require any subcontractors to irrevocably assign their rights to pursue any claims for relief or causes of action for damages sustained by the State of Michigan or the DEPARTMENT with regard to claims based on goods or services that were used to meet the SPONSOR's obligation to the DEPARTMENT under this Contract due to any violation of 15 USC, Sections 1 - 15, and/or 1984 PA 274, MCL 445.771 - .788, excluding Section 4a, to the State of Michigan or the DEPARTMENT as a third-party beneficiary.

The SPONSOR shall notify the DEPARTMENT if it becomes aware that an antitrust violation with regard to claims based on goods or services that were used to meet the SPONSOR's obligation to the DEPARTMENT under this Contract may have occurred or is threatened to occur. The SPONSOR shall also notify the DEPARTMENT if it becomes aware of any person's intent to commence, or of commencement of, an antitrust action with regard to claims based on goods or services that were used to meet the SPONSOR's obligation to the DEPARTMENT under this Contract.

23. In any instance of dispute and/or litigation concerning the PROJECT, the resolution thereof will be the sole responsibility of the party/parties to the contract that is/are the subject of the controversy. It is understood and agreed that any legal representation of the SPONSOR in any dispute and/or litigation will be the financial responsibility of the SPONSOR.
24. The DEPARTMENT and the FAA will not be subject to any obligations or liabilities by contractors of the SPONSOR or their subcontractors or any other person not a party to this Contract without its specific consent and notwithstanding its concurrence in or approval of the award of any contract or subcontract or the solicitation thereof.
25. Each party to this Contract will remain responsible for any claims arising out of that party's performance of this Contract as provided by this Contract or by law.

This Contract is not intended to increase or decrease either party's liability for or immunity from tort claims.

This Contract is not intended to nor will it be interpreted as giving either party a right of indemnification, either by Contract or at law, for claims arising out of the performance of this Contract.

26. In case of any discrepancies between the body of this Contract and any exhibit hereto, the body of the Contract will govern.
27. This Contract will become binding on the parties and of full force and effect upon signing by the duly authorized representatives of the SPONSOR and the DEPARTMENT and upon adoption of a resolution approving said Contract and authorizing the signature(s) thereto of the respective representative(s) of the SPONSOR, a certified copy of which resolution will be sent to the DEPARTMENT with this Contract, as applicable.

SUPPLEMENTAL PROVISIONS FOR CONTRACTS INVOLVING CONSTRUCTION WORK AT ALL CLASSIFICATIONS OF AIRPORTS FOR WHICH THE DEPARTMENT OPENS BIDS AND AWARDS THE CONTRACTS

1. The "PROJECT COST" is defined as the cost of all work necessary to complete the items identified in the body of this Contract as the PROJECT, including the costs of preliminary engineering, design engineering, construction engineering and supervision, architectural work, surveying, environmental studies and reports, airport layout plan updates relating to the PROJECT, and advertising for and receiving bids.
2. The SPONSOR will select a consultant to perform each element of the PROJECT that requires expertise. All consultant contracts will be between the SPONSOR and the consultant. Consultant contracts will be submitted to the DEPARTMENT for review and approval. Any such approvals will not be construed as a warranty of the consultant's qualifications, professional standing, ability to perform the work being contracted, or financial integrity. The SPONSOR will not execute a consultant contract nor authorize the consultant to proceed prior to receiving written approval of the contract from the DEPARTMENT. Any change to the consultant contract will require prior written approval from the DEPARTMENT. In the event the consultant contract is terminated, the DEPARTMENT will be given immediate written notice by the SPONSOR.
3. The DEPARTMENT is authorized by the SPONSOR pursuant to this Contract to advertise and to award the contract for the construction work in the name of the SPONSOR in accordance with the following:
 - a. Prequalification of bidders will be determined by the DEPARTMENT in accordance with the "Administrative Rules Governing the Prequalification of Bidders for Highway and Transportation Construction Work."
 - b. Prior to advertising the construction work for receipt of bids, the SPONSOR may delete any portion or all of the PROJECT work.
 - c. If after receipt of bids for the construction work, the SPONSOR gives notice of circumstances that affect its ability to proceed, the DEPARTMENT, on behalf of the SPONSOR and with the concurrence of the FAA, if applicable, will reject the bids.
 - d. In the event of the rejection of all bids, any costs incurred by the DEPARTMENT will be deemed to be PROJECT COSTS.

- e. Upon receipt of bids, the DEPARTMENT, on behalf of the SPONSOR, will select the most responsive bid in accordance with the DEPARTMENT's applicable "General Provisions for Construction of Airports." The DEPARTMENT will then prepare a "Recommendation to Award" and submit it to the FAA, if applicable, and the SPONSOR. The DEPARTMENT will forward the contract documents to the contractor and then to the SPONSOR for execution.
 - f. The DEPARTMENT is authorized to receive, hold, and return proposal guarantees on behalf of and in the name of the SPONSOR pursuant to the requirements enumerated in the DEPARTMENT's applicable "General Provisions for Construction of Airports."
 - g. In the event of the forfeiture of a proposal guaranty, in accordance with the DEPARTMENT's applicable "General Provisions for Construction of Airports," and upon receipt of a request from the SPONSOR, the DEPARTMENT will forward to the SPONSOR the forfeited proposal guaranty.
 - h. The DEPARTMENT is authorized to receive performance and lien bonds and certificates of insurance on behalf of and in the name of the SPONSOR pursuant to the requirements enumerated in the DEPARTMENT's applicable "General Provisions for Construction of Airports."
 - i. The SPONSOR, upon presentation of the contract documents by the DEPARTMENT, and subject to the possible implementation of the exceptions provided in paragraphs b and c above, will execute and return the appropriate documents on or before a date to be set by the DEPARTMENT in accordance with the DEPARTMENT's applicable "General Provisions for Construction of Airports."
 - j. Upon receipt of the executed contract documents from the SPONSOR, the DEPARTMENT will award the contract.
4. The DEPARTMENT is authorized by the SPONSOR, pursuant to this Contract, to approve subcontracts between the prime contractor and the subcontractor on behalf of the SPONSOR. Any such approvals will not be construed as a warranty of the subcontractor's qualifications, professional standing, ability to perform the work being subcontracted, or financial integrity.
 5. Should termination of a construction contract pursuant to Section 80-09 of the DEPARTMENT's applicable "General Provisions for Construction of Airports" occur, the DEPARTMENT will be given immediate written notice by the SPONSOR.

6. Any changes to the PROJECT plans and specifications made after receipt of bids will require prior written approval from the DEPARTMENT and the FAA, if applicable. The SPONSOR or its representative may request such changes by initiating a contract modification to the construction contract in accordance with the "General Provisions for Construction of Airports" and the DEPARTMENT's "Project Engineer's Manual" for airport construction. Any contract modification determined to be significant by the DEPARTMENT will require a prior written amendment to this Contract.

In the event that during the course of PROJECT construction it becomes necessary to exceed estimated quantities of materials or labor, and it is not reasonable to obtain prior consent from the DEPARTMENT without interrupting an ongoing construction activity, the SPONSOR's on-site supervisor may approve such overruns and the DEPARTMENT may share in the costs of such overruns only if all of the following conditions are met:

- a. The construction, including such overruns, remains in conformity with the PROJECT plans and specifications as revised.
 - b. Such overruns do not exceed ten percent (10%) of that category within the PROJECT plans and specifications as revised.
 - c. The SPONSOR or its representative immediately notifies the DEPARTMENT of such overruns and the estimated costs thereof.
 - d. Such on-site approval is necessary for continuity in construction, and obtaining approval prior to proceeding would cause a material interruption in the PROJECT that would result in a significant increase in costs.
7. Any work or material that is determined by the DEPARTMENT not to be in conformity with the plans, specifications, and contract documents will be ineligible for reimbursement with federal and state participating funds or will be subject to a price adjustment approved by the DEPARTMENT and the FAA, if applicable.
 8. Upon completion of the work in each construction contract and acceptance thereof by the SPONSOR, the SPONSOR or its designated representative will give immediate written notice to the DEPARTMENT.
 9. The SPONSOR will operate and maintain in a safe and serviceable condition the airport and all facilities thereon and connected therewith that are necessary to serve the aeronautical users of the airport, other than facilities owned or controlled by the United States or the State of Michigan, for a period of twenty (20) years from the effective date of this Contract and will not permit any activity thereon that would interfere with its use for airport purposes,

provided, however, that nothing herein will be construed as requiring the maintenance, repair, restoration, or replacement of any structure or facility that is substantially damaged or destroyed due to any act of God or other condition or circumstance beyond the control of the SPONSOR.

The airport will be maintained in full operating condition on a year-round basis, in accordance with the general utility licensing requirements set forth by the Michigan Aeronautics Commission in its rules and regulations. During this period, the airport will not be abandoned or permanently closed without the express written permission of the DEPARTMENT.

10. Should the SPONSOR desire to abandon, close, sell, or otherwise divest itself of the airport or any portion thereof, the SPONSOR agrees to provide to the DEPARTMENT prior written notice of such intent giving the DEPARTMENT, for a period of one hundred eighty (180) days after receipt of such notice, a first right to purchase at fair market value the airport and all facilities thereon. Fair market value will be determined by an independent appraisal of such properties.

The notice of intent and first right to purchase will be provided via registered or certified mail, return receipt, postage prepaid, addressed to the Executive Administrator of the Office of Aeronautics, Michigan Department of Transportation.

11. The SPONSOR will, either by the acquisition and retention of easements or other interests in or rights for the use of land or airspace or by the adoption and enforcement of zoning regulations, prevent the construction, erection, alteration, and/or growth of any structure, tree, or other object in the approach areas of the runways of the airport that would constitute an obstruction to air navigation according to the criteria or standards prescribed in the FAA Advisory Circulars.
12. For a period of twenty (20) years, the SPONSOR will make the airport available as an airport for public use for all types, kinds, and classes of aeronautical use on fair and reasonable terms and without unjust discrimination. Rates charged to aeronautical users will be determined based on the cost to the SPONSOR of providing the facility. In any agreement, contract, lease, or other arrangement under which a right or privilege at the airport is granted to any person, firm, or corporation to conduct or engage in an approved non-aeronautical activity, the SPONSOR will charge fair market value for the right to conduct such activity. During this period, all revenues generated by the airport for aeronautical and non-aeronautical activities will be expended for the capital or operating costs of the airport, the local airport system, or other local facilities that are owned or operated by the SPONSOR and are directly and substantially related to the actual air transportation of passengers or property.

13. In any agreement, contract, lease, or other arrangement under which a right or privilege at the airport is granted to any person, firm, or corporation to conduct or engage in any aeronautical activity for furnishing services to the public at the airport, the SPONSOR will insert and enforce provisions requiring the contractor to:
 - a. Furnish said services on a fair, reasonable, and not unjustly discriminatory basis to all users thereof; and
 - b. Charge fair, reasonable, and not unjustly discriminatory prices for each unit or service, provided that the contractor may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.

APPENDIX A
PROHIBITION OF DISCRIMINATION IN STATE CONTRACTS

In connection with the performance of work under this contract; the contractor agrees as follows:

1. In accordance with Public Act 453 of 1976 (Elliott-Larsen Civil Rights Act), the contractor shall not discriminate against an employee or applicant for employment with respect to hire, tenure, treatment, terms, conditions, or privileges of employment or a matter directly or indirectly related to employment because of race, color, religion, national origin, age, sex, height, weight, or marital status. A breach of this covenant will be regarded as a material breach of this contract. Further, in accordance with Public Act 220 of 1976 (Persons with Disabilities Civil Rights Act), as amended by Public Act 478 of 1980, the contractor shall not discriminate against any employee or applicant for employment with respect to hire, tenure, terms, conditions, or privileges of employment or a matter directly or indirectly related to employment because of a disability that is unrelated to the individual's ability to perform the duties of a particular job or position. A breach of the above covenants will be regarded as a material breach of this contract.
2. The contractor hereby agrees that any and all subcontracts to this contract, whereby a portion of the work set forth in this contract is to be performed, shall contain a covenant the same as hereinabove set forth in Section 1 of this Appendix.
3. The contractor will take affirmative action to ensure that applicants for employment and employees are treated without regard to their race, color, religion, national origin, age, sex, height, weight, marital status, or any disability that is unrelated to the individual's ability to perform the duties of a particular job or position. Such action shall include, but not be limited to, the following: employment; treatment; upgrading; demotion or transfer; recruitment; advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.
4. The contractor shall, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, national origin, age, sex, height, weight, marital status, or disability that is unrelated to the individual's ability to perform the duties of a particular job or position.
5. The contractor or its collective bargaining representative shall send to each labor union or representative of workers with which the contractor has a collective bargaining agreement or other contract or understanding a notice advising such labor union or workers' representative of the contractor's commitments under this Appendix.
6. The contractor shall comply with all relevant published rules, regulations, directives, and orders of the Michigan Civil Rights Commission that may be in effect prior to the taking of bids for any individual state project.

CIVIL RIGHTS ACT OF 1964, TITLE VI - 49 CFR PART 21 CONTRACTUAL REQUIREMENTS

During the performance of this contract, the contractor, for itself, its assignees and successors in interest (hereinafter referred to as the "contractor") agrees as follows:

1. **Compliance with Regulations.** The contractor will comply with the Regulations relative to nondiscrimination in federally assisted programs of the Department of Transportation (hereinafter "DOT") Title 49, Code of Federal Regulations, Part 21, as they may be amended from time to time (hereinafter referred to as the Regulations), which are herein incorporated by reference and made a part of this contract.
2. **Nondiscrimination.** The contractor, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurement of materials and leases of equipment. The contractor will not participate either directly or indirectly in the discrimination prohibited by section 21.5 of the Regulations, including employment practices when the contract covers a program set forth in Appendix B of the Regulations.
3. **Solicitation for Subcontracts, Including Procurement of Materials and Equipment.** In all solicitations either by competitive bidding or negotiation made by the contractor for work to be performed under a subcontract, including procurement of materials of leases of equipment, each potential subcontractor or supplier will be notified by the contractor of the contractor's obligations under this contract and the Regulations relative to nondiscrimination on the grounds of race, color, or national origin.
4. **Information and Reports.** The contractor will provide all information and reports required by the Regulations or directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Sponsor or the Federal Aviation Administration (FAA) to be pertinent to ascertain compliance with such Regulations, orders, and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish this information, the contractor will so certify to the sponsor of the FAA, as appropriate, and will set forth what efforts it has made to obtain the information.
5. **Sanctions for Noncompliance.** In the event of the contractor's noncompliance with the nondiscrimination provisions of this contract, the sponsor will impose such contract sanctions as it or the FAA may determine to be appropriate, including, but not limited to:

- a. Withholding of payments to the contractor under the contract until the contractor complies, and/or
 - b. Cancellation, termination, or suspension of the contract, in whole or in part.
6. Incorporation of Provisions. The contractor will take such action with respect to any subcontract or procurement as the sponsor or the FAA may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or supplier as a result of such direction, the contractor may request the Sponsor to enter into such litigation to protect the interests of the sponsor and, in addition, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

(Excerpts from US DOT Regulation 49 CFR § 26.13)

- A. Each financial assistance agreement signed with a DOT operating administration (or a primary recipient) must include the following assurance:

The recipient shall not discriminate on the basis of race, color, national origin, or sex in the award and performance of any US DOT-assisted contract or in the administration of its DBE program or the requirements of 49 CFR Part 26. The recipient's DBE program, as required by 49 CFR Part 26 and as approved by US DOT, is incorporated by reference in this agreement. Implementation of this program is a legal obligation and failure to carry out its terms shall be treated as a violation of this agreement. Upon notification to the recipient of its failure to carry out its approved program, the department may impose sanctions as provided for under Part 26 and may, in appropriate cases, refer the matter for enforcement under 18 U.S.C. 1001 and/or the Program Fraud Civil Remedies Act of 1986 (31 U.S.C. 3801 et seq.).

The contractor, subrecipient or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of US DOT-assisted contracts. SPECIAL CONDITIONS

1. RUNWAY PROTECTION ZONES The Sponsor agrees to take the following actions to maintain and/or acquire a property interest, satisfactory to the FAA, in the Runway Protection Zones:
 - a. Existing Fee Title Interest in the Runway Protection Zone.
The Sponsor agrees to prevent the erection or creation of any structure or place of public assembly in the Runway Protection Zone, as depicted on the Exhibit "A" Property Map, except for nav aids that are fixed by their functional purposes or any other structure approved by the FAA. Any existing structures or uses within the Runway Protection Zone will be cleared or discontinued unless approved by the FAA.
 - b. Existing Easement Interest in the Runway Protection Zone.
The Sponsor agrees to take any and all steps necessary to ensure that the owner of the land within the designated Runway Protection Zone will not build any structure in the Runway Protection Zone that is a hazard to air navigation or which might create glare or misleading lights or lead to the construction of residences, fuel handling and storage facilities, smoke generating activities, or places of public assembly, such as churches, schools, office buildings, shopping centers, and stadiums.
2. AIR AND WATER QUALITY. Approval of the project included in this agreement is conditioned on the Sponsor's compliance with applicable air and water quality standards in accomplishing project construction and in operating the airport. Failure to comply with this requirement may result in suspension, cancellation, or termination of federal assistance under this agreement.
3. BUY AMERICAN REQUIREMENT. Unless otherwise approved by the FAA, the Sponsor will not acquire or permit any contractor or subcontractor to acquire any steel or manufactured products produced outside the United States to be used for any project for airport development or noise compatibility for which funds are provided under this grant. The Sponsor will include in every contract a provision implementing this special condition.
4. WASTE DISPOSAL SITES. It is hereby agreed by and between the parties hereto that, within its authority, the Sponsor will not approve or permit the establishment or existence of a waste disposal site which has been determined to be objectionable under the

provisions of FAA Order 5200.5A, dated January 31, 1990, entitled "Waste Disposal Sites On or Near Airports."

5. OPEN BIDDING. The Sponsor agrees not to include in any bid specification, project agreement, or other controlling documents to perform construction activities under this grant, any provisions which would:
- a. Require bidders, offerors, contractors, or subcontractors to enter into or adhere to agreements with one or more labor organizations, on the same or other related construction project(s), or
 - b. Otherwise discriminate against bidders, offerors, contractors, or subcontractors for refusing to become or remain signatories or otherwise adhere to agreements with one or more labor organizations, on the same or other related construction project(s), or
 - c. Require any bidder, offeror, contractor, or subcontractor to enter into, adhere to, or enforce any agreement that requires its employees, as a condition of employment, to:
 - (1) become members of or affiliated with a labor organization, or
 - (2) pay dues or fees to a labor organization, over an employee's objection, in excess of the employee's share of labor organization costs relating to collective bargaining, contract administration, or grievance adjustment.

The Sponsor further agrees to require any contractor or subcontractor to agree to not include any similar provision that would violate paragraphs a through c above in their contracts or subcontracts pertaining to the projects under this grant.

6. PAVEMENT MAINTENANCE MANAGEMENT PROGRAM (PGL 95-2). For a project to replace or reconstruct pavement at the airport, the Sponsor shall implement an effective airport pavement maintenance program as is required by the assurance in Section III.C.11 of the "Terms and Conditions of Accepting Airport Improvement Program Grants." The Sponsor shall use such program for the useful life of any pavement constructed, reconstructed, or repaired with federal financial assistance at the airport. An effective pavement maintenance management program is one that details the procedures to be followed to assure that proper pavement maintenance, both preventive and repair, is performed. An airport sponsor may use any form of inspection program it deems appropriate. As a minimum, the program must include the following:
- a. **Pavement Inventory.** The following must be depicted in an appropriate form and level of detail:
 - (1) location of all runways, taxiways, and aprons;
 - (2) dimensions;

- (3) type of pavement, and;
- (4) year of construction or most recent major rehabilitation.

For compliance with the Airport Improvement Program (AIP) assurances, pavements that have been constructed, reconstructed, or repaired with federal financial assistance shall be so depicted.

b. **Inspection Schedule.**

- (1) Detailed Inspection. A detailed inspection must be performed at least once a year. If a history of recorded pavement deterioration is available, i.e., Pavement Condition Index (PCI) survey as set forth in Advisory Circular 150/5380-6, "Guidelines and Procedures for Maintenance of Airport Pavements," the frequency of inspection may be extended to three years.
- (2) Drive-By Inspection. A drive-by inspection must be performed a minimum of once per month to detect unexpected changes in the pavement condition.

c. **Record Keeping.** Complete information on the findings of all detailed inspections and on the maintenance performed must be recorded and kept on file for a minimum of five years. The types of distress, their locations, and remedial action, scheduled or performed, must be documented. The minimum information to be recorded is listed below:

- (1) inspection date,
- (2) location,
- (3) distress types, and
- (4) maintenance scheduled or performed.

For drive-by inspections, the date of inspection and any maintenance performed must be recorded.

d. **Information Retrieval.** An airport sponsor may use any form of record keeping it deems appropriate, so long as the information and records produced by the pavement survey can be retrieved to provide a report to the FAA as may be required.

e. **Reference.** Refer to Advisory Circular 150/5380-6, "Guidelines and Procedures for Maintenance of Airport Pavements," for specific guidelines and procedures for maintaining airport pavements and establishing an effective maintenance program. Specific types of distress, their probable causes, inspection guidelines, and recommended methods of repair are presented.

7. AGENCY AGREEMENTS. The Sponsor will not amend, modify, or terminate the

agency relationship between the Sponsor, as principal, and the Michigan Aeronautics Commission, as agency, created by the Agency Agreement without prior written approval of the FAA.

8. DBE PLAN. It is understood and agreed by and between the parties hereto that the Sponsor shall not issue any invitations for bids for work described on Page 1 of the Grant Agreement, nor shall the United States be obligated to make payment representing its share of the project cost, until the FAA has updated Disadvantaged Business Enterprises Program goals as specified by the FAA, Great Lakes Region, Civil Rights Office letter.

According to the federal requirement 49 CFR Part 26, Participation by Minority Business Enterprise in Department of Transportation Programs, recipients of FAA funds shall submit overall DBE goal information annually. As recipient of this block grant, the Department accepts this responsibility.
