COMMUNICATIONS FROM STAFF

Neighborhood Street Crossing Zebra Stripping - Engineers have met and are currently developing standards

Competition for Manhole Covers - Plan in the works; requires an additional conversation with Public Works staff

-This form of art enhances and improves the creative sense of Ann Arbor and has a minimum financial impact. Commission wants to be certain that public safety has been

incorporated into the manhole, stamps and medallions artwork with special attention to ADA requirements.

COMMUNICATIONS FROM COMMISSIONERS

*Report on CIP Potential for Rotating Artwork (P Smith) -
- MOVED TO SEPTEMBER MEETING*

James Neal - Blue Giraffe & Glass Tiger Donation -

New Public Art donation form has been completed and is available online.

Commission wishes to experiment with donations and put these two pieces within the community. No cost, liability covered by Nissan Family, a permanent donation as part of the City in collaboration with DDA. Discussion re location of these two pieces and a great deal of support from community. These two pieces received the Art Prize award in Grand Rapids.

Concerns raised re public outreach for donated art. Commission has provided public input and outreach for all art within the City. Donated pieces should be treated the same. Process for these two pieces should allow for engagement of the city, neighborhoods and the community. Commission will set a donation sub committee that will work to set guidelines, processes and procedures to be sure that all donations to the City are transparent.

Item forwarded to City Attorney for contract development; cost, maintenance, delivery, and insurance details.
