Hi I was wondering if any new information regarding pedicabs in Ann Arbor have come about during the recent meetings? Is there anyone in particular that I could contact that might be able to help me regarding this matter? Thank you for your time!

Hi! Over ten years ago I was a pedicab operator with a couple of U of M business students. I currently work full-time in physical therapy but was wondering what the current process was for obtaining a permit for operating a pedicab in Ann Arbor. Thank you for your time and I look forward to hearing from you!
