Liam has resigned from the EDFC. Can you update Legistar and forward his resignation to the Mayor?

Hi Tiffany,

Apologies for the last-minute email; I won't be able to make this week's in-person meeting. I have had an exciting job opportunity come up back in my hometown of St. Louis, and I've been hurriedly moving back home to start the new position. This also means that I am putting in my notice for stepping down from the EDFC. It has been an absolute pleasure to be a part of the committee, and I'm disappointed that I won't be in Ann Arbor longer.

Please let me know what you need from me, if anything, moving forward. I truly appreciate the work that you and the committee members are doing for the community!

Thank you,  
Liam

Greetings,

Attached are the items for next week's EDFC meeting.

**PLEASE NOTE: this meeting is IN-PERSON at Wheeler Service Center.** Much of the meeting will be devoted to strategic planning/visioning session. Materials were sent out in a previous email as well as a note from Don.

**Wheeler Service Center**

**4251 Stone School Road**

**Ann Arbor 48108**

We'll meet in Conference Room A. There is plenty of parking directly in front of the building by the American flag. When you come to the front door, you'll use the call box to be let inside. Our Customer Service Staff are aware that you are coming. You'll enter the building and take your first left and then another left and the conference room is there on your left.

Please email me if you will **not** be able to attend the meeting; if we do not reach a quorum, I will cancel the meeting.

I look forward to seeing you all next week!

Respectfully,

**Tiffany Giacobazzi**, Urban Forestry & Natural Resources Planning Coordinator
