Hi, folks. I believe the PROS Park plan before Council is January is mixing up Graydon Park (the former Rose White Park) and Rose Park.

1. "Graydon Park" in the inventory matches the description for Rose Park (line should be renamed "Rose Park")
Rose Park has 2 acres, with trails and parking

2. "Rose White Park" in the inventory matches the description for Graydon Park (line should be renamed

"Graydon Park")

Graydon Park (the former Rose White Park) is only 1 acre and has no parking

3. The map still shows Rose White Park (should be Graydon)

I'm hoping this can be fixed before adoption, both out of respect for Graydon Krapohl and to reflect accurately the parks facility available in each neighborhood.

Thanks for your time.
